

Bicky,
You are a real
nice and good
friend hope to see
you this summer. Take
life as it comes. Keep
up with your personality
and you'll have even more
friends. Take care.

Lave;

Rose

Bicky, I sure hope sorry
well, I sure hope sorry
you have fun yuck, yuck, yuck
about that, I was stupid were good friends!
it out anyway I'm glad we're summer!
and I hope to see you at the lesson's from
guess what, I'm gonna take 18 different ways
dare to do the splits all 18 different ways
yuck she's pretty terrible any way I know
guess you'll have to suffer when I know
how to do it & you don't!! Love ya!!
I talk to ya later!! Love ya!!
A really
yuck

Bicky,
I'm so glad I
got to know you
I hope that all
through life you
find everything &
happiness you deserve
You'll never know
what our friendship
has meant to me.
I hope I'll always
have friends that
care! Take care &
May God Bless You
Love always,
Pam Ross

Becky, there's not much I haven't said in the last 4 years annually. But we've had some pretty fun times. Hugs & eye ect. Well I guess you can read the other ones that say how Beautiful and all that stuff you are. I agree with them, So you around, y'all

Becky, we've really been thru alot this yr. Haven't we??!! I hope I get to go to come and pull you out of line & everything!! You're soo beautiful & sweet. Let's keep in touch this summer so we can talk over our problems. 267-2970 sr.??

LOVE Always,
Kathy
Crossland

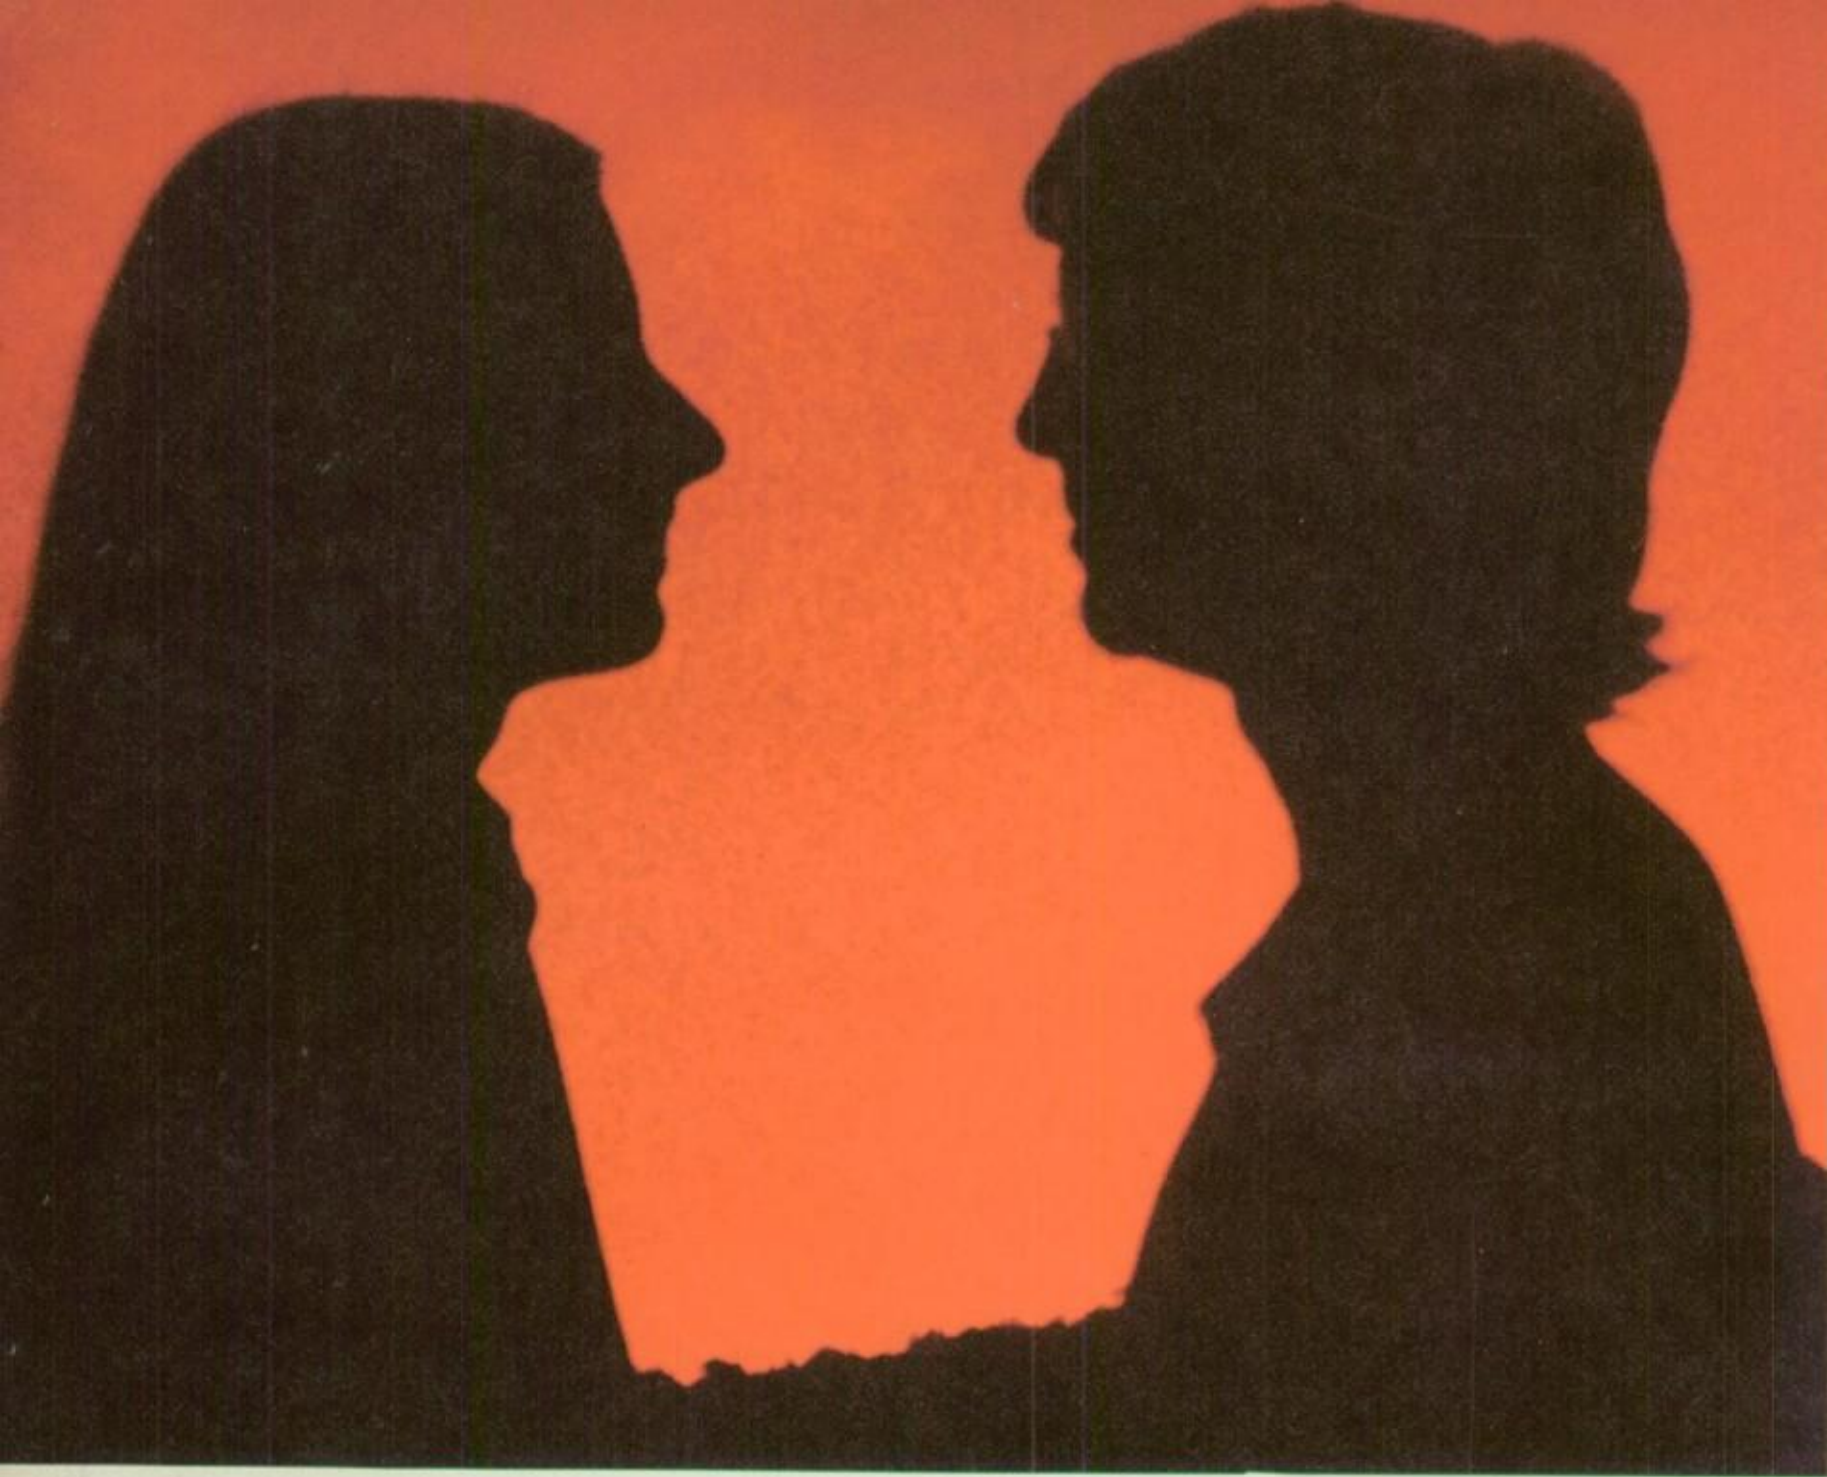

Becky,

I don't know how to start writing to someone who is as special to me as you are. I mean it, Burg, I know that when you read what I have wrote you will probably say, huh, right? I hope not Becky because I don't say things I don't mean, we've heard that somewhere before, huh? You are someone special to me in so many different ways. You are the kind of person that a ~~any~~^{person} could talk to and feel secure about what he or she has to say. I don't mean everybody. For instance, me, we talked about things and told each other some stuff that no other person would tell another. Becky, the thing that bothers me is that you think I'll never talk to you again. That would be the last thing I would ever do. You just don't forget or completely turn someone off, that means as much to me as you do. Becky, although we had our little disagreements and misunderstandings, doesn't mean that we have to ignore each other. By this I don't mean just say "Hi" or something. I would love to talk to you at anytime. Becky, were not going to end it right here, I mean that. We better keep in touch because I know we are special to each other in our own ways. Burg, whatever you need or need to talk about don't hesitate to call or get a hold of me somehow. I want the very best for you and if I can help in some way please let me know. You be careful, and take good care of yourself because you mean alot to me. Keep in touch and watch yourself. When I go to TCU don't hesitate to call or come by and see me. I'll do the same when I come home. Listen Burg there is just so much I could say that paper could never fill that I better stop now and wish you the very best. I mean that. Take good care of yourself and God Bless you and your family. With all my love, Steve

A photograph of two people sitting on a log in a forest, with a stream flowing in the foreground. The scene is lush with green foliage and trees, creating a serene and natural setting. The text is overlaid on the left side of the image, following the curve of the stream.

*It isn't ever the same.
In time, I'll change. And you.
And the currents of our lives.
But the image of these
 moments will never fade.
These moments of
 friendship are
 unforgettable.*

RIENDSHIP

WHO is truly deserving of the dedication? WHO made this year what it was to each of us? Was it a single teacher or administrator — or was it US? Each of US as students, teachers, and administrators. Wasn't it truly each of US who honestly cares that made the year of '74-'75 what it was? Good or bad — WE did it! And to accredit all the good — the '75 Triune staff unanimously decided to dedicate this year's book to the SPIRIT OF TRINITY HIGH.

The drama department's first attempt at a major production this year was Sandy Wilson's musical comedy "The Boyfriend." The story dealt with the joys and tears of girls at a French girl's school in their attempts to catch that special "Boyfriend." The talent exhibited by the cast along with the colorful sets provided a delightful night's entertainment.

Anonymous

Notable (nō ta b'l), adj. — worthy of note or notice, remarkable, distinguished. Efficient, capable. A person of note or distinction. syn: outstanding, famous, great, celebrity.

Each person contains one of these qualities and is therefore a notable in his own right. Recognition is not all that is needed to be an outstanding person. Some qualities are not known to the world and can only be seen through friendship. Therefore, friendship is important because it brings out the notable traits in us all.

"If you compare yourself with others, you may become vain and bitter, for always there will be greater and lesser persons than yourself."

COMPETITION

Competition (kom pētish un), n.- Competing, rivalry. A contest between rivals; a match. syn.: contest, match, game.

Everybody loves a winner and everybody loves to win. It's a competitive world and from childhood we learn to participate. Whether your fancy be athletic or artful — your goal should be the best that you can offer. Always beside you in training and practicing to fulfill your competitive instincts, struggle others with the same aim. Hours, days, even years, side-by-side, workout after workout, — you can't help but share more than a common goal — you learn to share your friendship.

GYMNASTS SET WORLD RECORD!

Jump-a-Thon Members:
Sam Johnson
Brad Durham
Bruce Gilby
Rome Milan
Mike Jutras

It was almost impossible to believe, but they did it! Five members of the Trinity Gymnastic team set the world record for continuous jumping on a trampoline by a five man team. Team members accepted pledges for every hour they jumped to raise money for the gymnastic teams. The team jumped for a total of 120 non-stop hours.

This year's Trojan football team started off the year with an explosive offense and staunch defense resulting in several impressive victories. The team finally came into the recognition it deserved as the Trojans were picked as district favorites. Unfortunately, due to an almost unbelievable rate of injury among key players, the chance for a district crown slowly dimmed after losses to two of the always powerful Wichita Falls teams. The season mark of 5-5 turned out to be somewhat disappointing to a team with their eyes on a district crown. Though perhaps short of victories, this team was not short of outstanding offensive and defensive efforts on the part of individual players. With several outstanding performances by varsity underclassmen and an upcoming J.V., next year's team should be a promising one.

TROJANS THRASH FARMERS

The Trojans 1974 football season got off to a dark start due to a lighting failure. Trinity played to one of the largest crowds in history, and the fans were not disappointed as Trinity went on to win with an impressive 21-7 victory over Lewisville. The Trojans moved quickly and scored on their second possession after a recovered fumble at their own 46 yard line. With 27 seconds left in the quarter, fullback Atchison stepped in for the score. Parker's 27 yard run and a nine yard Skinner to Murdock pass set up the score. Gunter ignited the Trojan flame when he intercepted a pass and returned it to the Lewisville 46. Atchison scored from the three and with Skinner's successful run for a two point conversion, the Trojan's lead was upped to 14-0. The game was put out of reach for the Farmers when Skinner returned a rather short punt to Lewisville's 39. Bayuk engineered the short drive and went in the final five yards for the score. Farison kicked the conversion for Trinity's final point. Lewisville's only score came after a 25 yard run into the end zone with 3:03 left in the game. It was altogether an impressive debut for the powerful Trojan team.

A little coaching from the sidelines never hurt.

Now I knew I put that football somewhere.

LAMAR LYNCHES TRINITY

The Trojans' second game of the season proved to be a disappointing one as the Lamar Vikings went on to crush the Trojans 23-7. After a blocked punt, Dearing ran to give the Vikings their first score of the season. The Trojans proved to be a powerful opponent and did not allow the Vikings to mount any kind of offensive threat in the first half. However, with 9:43 left to play in the third quarter, Bayuk's punt attempt was blocked by a host of Vikings and Dearing slid into the end zone. The kick was good and the score was 7-0. Less than four minutes later, Skinner scored on a four yard run and with Farrison's successful kick the score was tied 7-7. But, from then on Lamar dominated the game. On the next play from scrimmage, Womble threw a 66 yard touchdown pass, and the point after attempt was good. Lamar scored on Bayuk's safety. Steve Hill's extra point finished the scoring and the chance for a Trojan victory.

"Oh no, not you again."

Steve Kratz, big man on defense, was named to the coaches all-district first team.

TRINITY DAMPENS REBEL SPIRIT

I don't want it; here, you take it.

Rain, Rebels, and the running of quarterback Mark Skinner combined as the Trojans pulled a repeat performance of their victory over Richland last year. Trinity's quarterback engineered the option to perfection, as he gained over 160 yards and scored two touchdowns to lead the Trojans to their first successful district win.

Richland scored on their first possession of the game on Jones' 26 yard sprint. Another run by Jones, and a Migués gain combined to give the Rebels a first and goal from Trinity's nine yard line. Richland went ahead 7-0, as 16 seconds later, Parker took the ball and scored. The extra point was good, and the score was tied 7-7. The Trojans then initiated a running attack to score their second touchdown of the first half as Skinner once again ran in 14 yards for the score. The second half saw no scoring by either team as the conditions of the field slowly worsened. Trinity managed to engineer one more scoring threat when Skinner broke free for 60 yards before being brought down. 20 yards of penalties destroyed the Trojan hope for another score. The final score, 21-7, saw the Trojans capture their first district win.

Farison's 25 yard field goal in the last three minutes of the game boosted the Trojans to a 15-13 win over Castleberry. Nilo recovered a Trinity fumble near midfield to set up the first score of the game. The Lion's score came six plays later as Drake dived in from the one. Sherrill's kick was blocked. Trinity blocked a punt by Sherrill, as late in the half the Trojans found themselves on the 23 yard line. Atchison scored three plays later with 1:20 left on the clock. Farison's extra point attempt was wide. The Trojans' final touchdown came in the second half, as Jones intercepted a pass on the 25. Atchison scooted in from the two six plays later for the score. The Lions' last score came as Pullman intercepted a Skinner pass. Then the Trojans marched 68 yards to set up the winning field goal.

The Wichita Falls Coyotes turned out to be unwelcomed guests as they beat the Trojans 10-6, Trinity's first district loss. The first quarter was scoreless. With 2:49 left in the half, the Coyotes scored on a 37 yard field goal. The kick came at the end of a 60 yard drive. The third quarter still saw the score 3-0. On Trinity's first possession of the fourth quarter a bad break came for the Trojans as Mark Skinner was hurt and taken to the hospital and the Coyotes scored. The Trojans then began to gain yards and finally scored on a quarterback sneak by Bayuk. Wichita Falls dominated the last 4 minutes of the game, beating Trinity 10-6.

TRINITY WHIPS HUSKIES

Trinity traveled to Wichita Falls Hirschi for one of the most exciting games of the season. Atchison led the Trojans to victory as he picked up over 80 yards rushing. The game was hard fought as there was no score until the third quarter. Trinity's defense forced the Huskies to punt, but Trinity fumbled the ball and Farison recovered it on the Trojan 14. Hirschi began a four play drive that ended when Mathews scored from the one. With 2:13 left in the third quarter, Trinity found themselves behind 6-0. The Trojans then began a scoring drive from the 44. Six plays later, full-back Atchison broke through the Huskie defense and scampered 35 yards. Bayuk then plunged 2 yards for the score and Farison's point after attempt was successful, giving the Trojans a big 7-6 victory over the Huskies.

Trinity's potent offense explodes again.

RAIDERS TAKE REVENGE ON TROJANS

The Trojans played one of their hardest games as they held Wichita Falls Rider nine minutes before the Raiders let the hammer loose and triumphed with a 49-14 victory. Trinity stopped Rider's early drive on the eight, but the Trojans fumbled on their 23. With two minutes left in the first quarter, Rider crossed the goal for the first time. Rider further increased the score on runs of 2 and 5 yards and scoring bombs of 35 and 55 yards. Starting the third period the Trojans found themselves behind 35-0. A bobbled Trojan punt enabled Rider to score once more. Halfway through the third quarter, the Trojans initiated their first long drive of the night. Fifteen plays later, the Trojans finally scored. After a second touchdown by Bayuk, Rider scored once again making the final score 49-14.

TRINITY SLAUGHTERS RAMS

The Trojan offense proved to be too much for Mineral Wells as Trinity rolled over the Rams for a 28-7 victory. The Rams drove for what proved to be their only score of the night, following the opening kickoff. Parker got things started for the Trojans as he ran 75 yards for a touchdown with only 1:33 left in the half. In the second half, McGuire's 38 yard run and Bayuk's 31 yard run set up McGuire's 4 yard scamper for the score. The point after attempt was good. Five minutes later, McGuire ran in from the one to give the Trojans a commanding lead of 21-7. Bayuk scored the final Trojan touchdown and Farison's fourth point after attempt was again successful. The final score showed an impressive 28-7 victory for the Trojans.

TROJANS CAUGHT IN STAMPEDE

Trojan defense . . . They can make it happen!

Time it, execute it, then break for the big one.

Trinity's homecoming game proved to be a disappointing one as the Buffs beat the Trojans, 21-14. The Trojans took an early lead on the third play of the game, as Parker raced 53 yards for the score. Haltom gained possession on its 20 yard line and then scored. Trinity came back and engineered a 96 yard scoring drive. Haltom came back and went 71 yards in just two plays to score again. Haltom scored on the initial possession of the third quarter, making the score 21-14. Late in the third quarter, the Trojans managed to reach the Haltom 12, but were unable to score. It was an altogether disappointing game for the Trojans.

TRINITY'S BELL RUNG

BY RAIDERS

Spirit was high as the Trinity Trojans met their cross-town opponents, the L. D. Bell Blue Raiders. The Trojans were trying to beat the Raiders for the second consecutive year. Unfortunately this was not to be, as the Raiders stomped the Trojans 21-12. The first play from scrimmage saw Bayuk keep the ball and run for 49 yards to the Raiders' 21. It looked as if the Trojans were ready to blast the Raiders once more. Bayuk kept the ball for gains of 4 and 5 yards, to put the Trojans on the ten. But it seemed Trinity's luck had run out, when Bayuk was hit hard and fumbled. Davis recovered the ball and the Raiders took over. Bell was unable to sustain a scoring drive and was forced to punt. Gunter went back to receive, but fumbled the ball and Southard recovered for the Raiders at the Trojan 37. The Raiders scored eight plays later as Clark went in from the three. The point after attempt was unsuccessful and with 11:57 left in the half, Bell led 6-0. A little later in the half, Parker fumbled a pitch-out and Stroud recovered for Bell at the Raiders' 45. The first play saw Smith throw a halfback pass and connect with McDonald for a 55 yard scoring bomb. Smith kept the ball for a successful two-point conversion. The Raiders went in from the half with a 14-0 lead. In the third quarter, Bell's final score came as the Raiders consumed 44 yards in 5 plays for the touchdown. White's kick was successful and the score was 21-0. Trinity finally got things going in the fourth quarter. Murdock was on the receiving end of a 16 yard Bayuk pass to climax a 55 yard scoring drive for the Trojans. The two point conversion attempt failed. The Trojans' next possession saw the Trojans march 83 yards in 10 plays for the score. Bayuk hit three passes and ran for 18 yards for the score. With 3:12 left in the game, the score was 21-12. But time ran out on the Trojans as the score remained at 21-12 in favor of the Raiders.

O.K. Bell, we're comin' through.

Junior Varsity is an organization whose efforts go relatively unnoticed. It is composed mainly of sophomores and juniors and is coached by Wes Pyfer. J.V. games were played on Thursday, usually against the same schools as the Varsity. Their efforts were rewarded, however, as the J.V. went on to tie as District champs. The team boasts a 5-1 record in district competition. This team, the majority of which are underclassmen, promises to produce a strong backbone for future varsity teams.

He explained that it was the first time the guys had really played with a team effort. The majority of the team's starting line-up is graduating this year, but the Junior Varsity promises to provide some strong players for next year.

TRINITY CONQUERS COYOTES

Trinity defeated the Wichita Falls Coyotes 67-46 to claim their first district win.

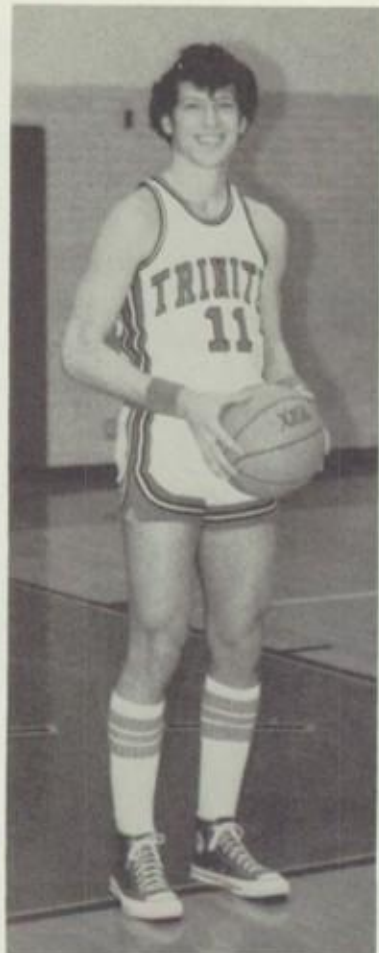

The Trojans had difficulty with the press at first, and fell behind 7-2 early in the game. However, Trinity managed to catch up with the Coyotes and with 1:01 left in the first quarter moved ahead 10-9. The lead changed seven times before Cort scored to put the Trojans ahead for good. Trinity upped the lead 37-29 before the Coyotes managed to score in the second half. Wichita Falls never got closer than six points after that, as the Trojans went on to win by a 21 point margin.

HALTOM OUTSCORES TROJANS

Haltom managed to upset the Trojans 53-45 on the first of their two meetings. The game was tied seven times in the first half, but the Buffalos pulled away during the third quarter and led twice by as many as eight points. Trinity managed to initiate a serious threat with 2:35 left in the game, narrowing the score 45-41. However, the scoring of Haltom's Schulze and Jackson spurred the Buffaloes to a 53-45 win.

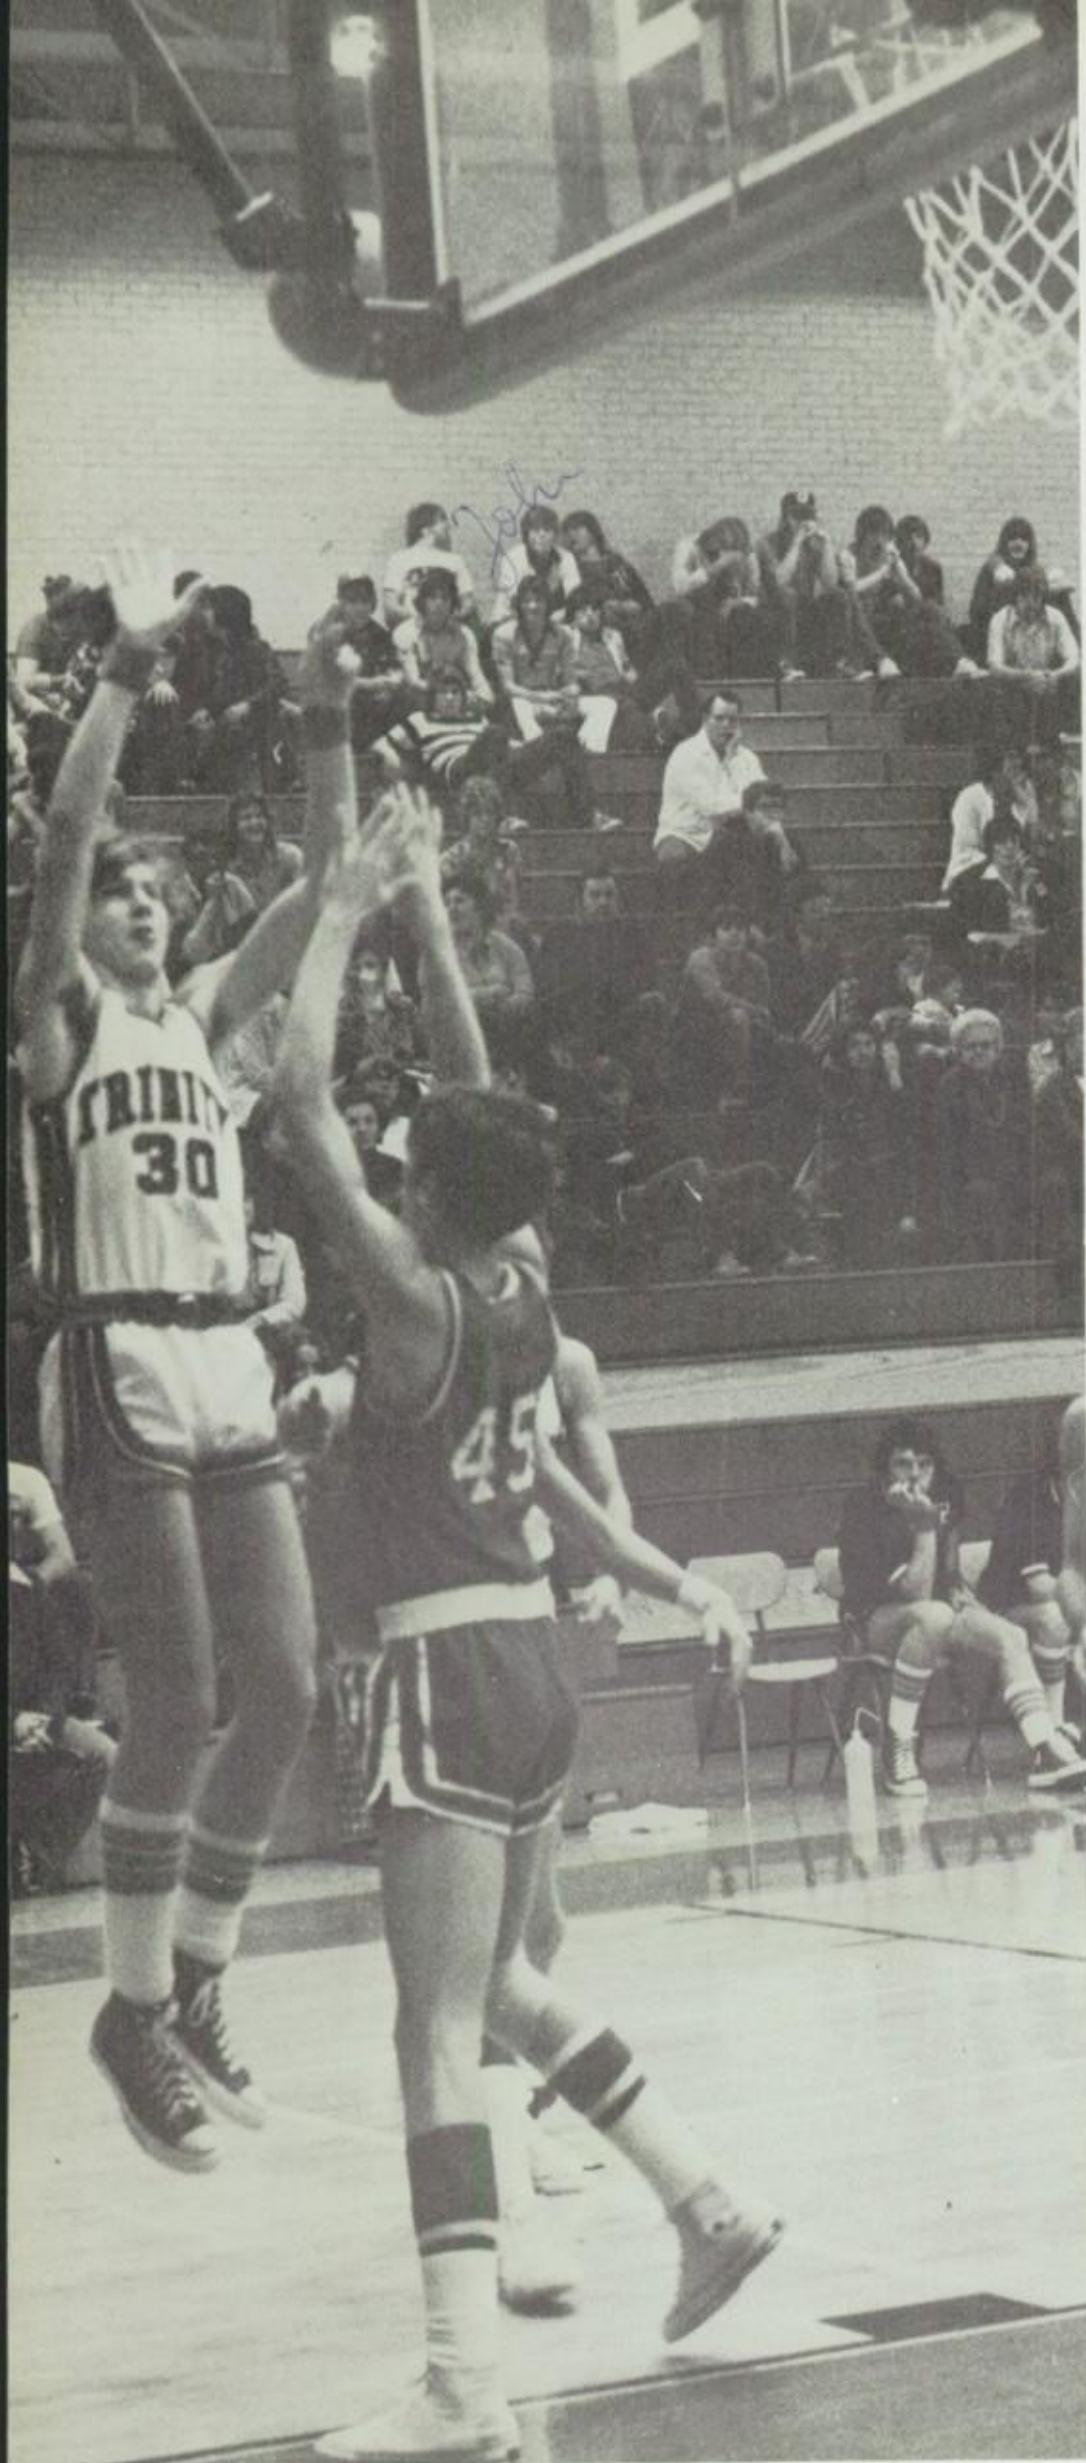

The Trojans were disappointed in their second attempt to beat Haltom. The Buffaloes' fourth quarter rally overcame the strong three quarter effort of the Trojans. Haltom outscored Trinity 22-9 during the last quarter to defeat the Trojans 57-50.

TRINITY ROARS PAST LIONS

The Trojans overcame a rather sluggish first half, and exploded in the final two quarters to defeat Castleberry 64-38. The third quarter saw Stone score 11 points, and Robertson effectively stop the Lions' inside drive to the basket, together with pulling every rebound in reach. At the end of the explosive third quarter, Trinity held a comfortable 50-32 lead. The Trojan starters then ripped off four consecutive buckets in the fourth quarter and it was easy sailing for the rest of the game.

A much improved Castleberry team returned, hoping to defeat the Trojans. Trinity, coming off a recent defeat by Haltom, hoped to put together a winning finish for the season. The Trojans stormed to the lead and were never really threatened, as they went on to defeat the Lions 72-48.

TROJANS TOPPLE TWICE

The powerful Richland Rebels met the Trinity Trojans in the first of their two confrontations. Richland owned the lead for most of the game, but had to fight from behind to defeat the Trojans 50-48.

Trinity went from a 39-30 deficit with 2:10 left in the third quarter, to a two point advantage, with a shot by Cort. Eight straight points by Trinity put Richland in the hole, but shots by Nunley and a tip by Hurdle put Richland on the top to stay. The Trojans went from the 4:15 mark of the fourth quarter to only three seconds left without a basket. Byars scored with three seconds left after Albritton gave the Rebs a 4 point advantage.

The second meeting of these two teams saw the Rebels take a razor thin victory, 60-58 over the Trojans. Victory came with 20 seconds left on the scoreboard, as Richland's Nunley sank two free throws, to give the Rebels a 60-56 advantage. Byars 15 ft. jumper at 0:03 gave the Trojans their final points.

RAMS UPSET TROJANS

Trinity lost for the second time in three district outings as the Mineral Wells Rams upset the Trojans 58-50.

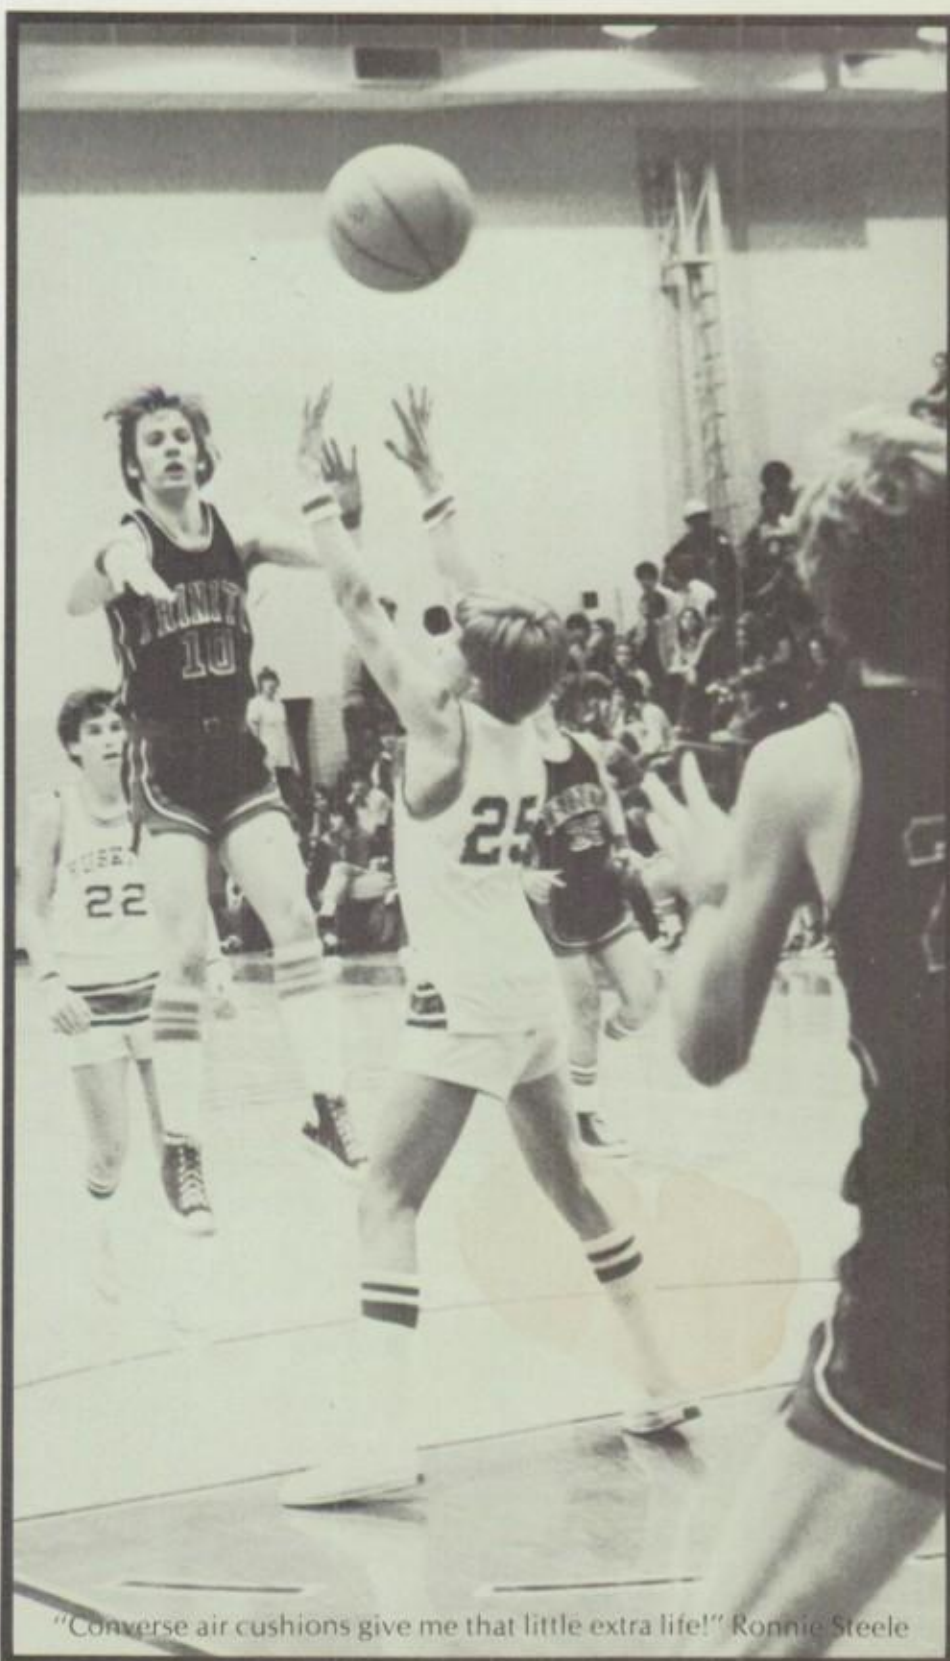

The Trojans held the lead from the beginning until mid-way through the third period. This was due largely to the performance of Senior Mark Byers, as he managed to sink 22 points. Turnovers and a third quarter scoring lapse helped the Rams to obtain a 36-32 lead heading into the final quarter. Byers twenty plus points put him as the single Trojan in double figures, for the game. Mineral Wells didn't score that many points individually, but more importantly had four starters in double figures.

RIDER RAIDERS RIP TROJANS

Trinity traveled to Wichita Falls to meet the Rider Raiders on their home court. The Trojans were unsuccessful in their bid for a victory, as the Raiders defeated Trinity 75-59.

Rider held a 60-39 advantage before the Trojans came to life. Trinity scored 18 points and held the powerful Raiders to six points, narrowing the score to 66-57. But the drive seemed to run out for the Trojans as Rider put nine points on the board before Steele sank the final bucket with seconds to go.

The Raiders pulled away from a first period tie and took a 20-10 lead. Trinity was never really closer until the fourth quarter rally. Trojan Wendell Roberson hacked away at the Rider 16 point half-time lead, but the Raiders won it, 75-59.

"Converse air cushions give me that little extra life!" Ronnie Steele

TRINITY OUTSHOOTS HUSKIES

The Trojans accommodated the visiting Huskies by changing into their black uniforms after discovering the Hirschi Team had only brought their white ones. But the Trojan hospitality ended there.

Trinity bombarded the nets with uncanny accuracy and by half-time had constructed a 40-26 advantage. Trinity slacked off during the second half, but the end result was never in doubt. The official final score was recorded as 62-55, however, two points were missed by the officials and should have read 62-57.

Trinity's field goal shooting and board control were the main factors in their first half surge. Trinity hit 51 percent for the game and were paced by Roberson with 14 rebounds.

Mark Byars slips for another two.

BELL BOUNCES BACK

Both Bell and Trinity turned in impressive performances, but the final buzzer saw the Trojans with a 77-66 victory. The Raiders outshot Trinity, but the big difference was a 15-19 free throw mark for the Trojans. After the first eight minutes, Trinity had a 22-16 advantage and as the second half ended the Trojans held a five point margin, 41-36.

Bell played well, but couldn't gain any ground on the stubborn Trojans. As the game advanced into the fourth quarter, Trinity held a slim 53-48 advantage. The final period of the game saw the Trojans launch an all-out bid for victory. Roberson turned a three point play with 1:15 left on the clock to polish off their second victory in zone play.

The second meeting of these teams resulted in an exact reversal of roles, as the Raiders won it 69-68. Unlike the previous game the Trojans had trouble from the free throw line and were outshot from the field by the Raiders. It was altogether a bad night for Trinity as they lost by only one point.

BOYS' TEAM: OUTSTANDING SEASON

A lone swimmer gracefully glides through the glistening water.

"Psych-up!"

The highly successful efforts of the boys' swim team have gone by relatively unnoticed. However, this year's team is both exceptionally strong and fast. Led by team captains Ben Stobnicki and Mike York, the boys' team has proved to be a tough competitor. Together with the strong swimming of Steve Lavasseur and David Erickson, the team has so far fallen only to W. T. Wyatt at the S.M.U. Relays. Later in the year, meets will include such competition as the Wichita Falls meet, together with Regionals and State held at the end of February.

TANKERS DEPEND

This year's season has been a deceptively unsuccessful one for the girl's team. The team, as a whole, has improved since last year. Team captains Belinda David and Diane Ingram have provided a strong backbone for the team. Individual strength and speed have increased greatly. However, just as the Trojan girl's team has improved, so has the competition. The Trinity team has been unable to defeat such strong opposition. The girl's team joined the boy's team for Regional and State meets in February.

TENNIS: SERVE, RETURN OUT-OF- BOUNDS: 15-LOVE

This year's Trojan Tennis Team is coached for the second year by Cal Hopkins. Hard workouts in rainy, cold or sunny weather are all a part of the team regimen. A very necessary part, as only constant practice will achieve the goals set for this year's tennis team. Coach Hopkins explained that he is after top-level tennis, not just average. To achieve this, he plans to participate in top-level tournaments. The competition against this year's team has been formidable.

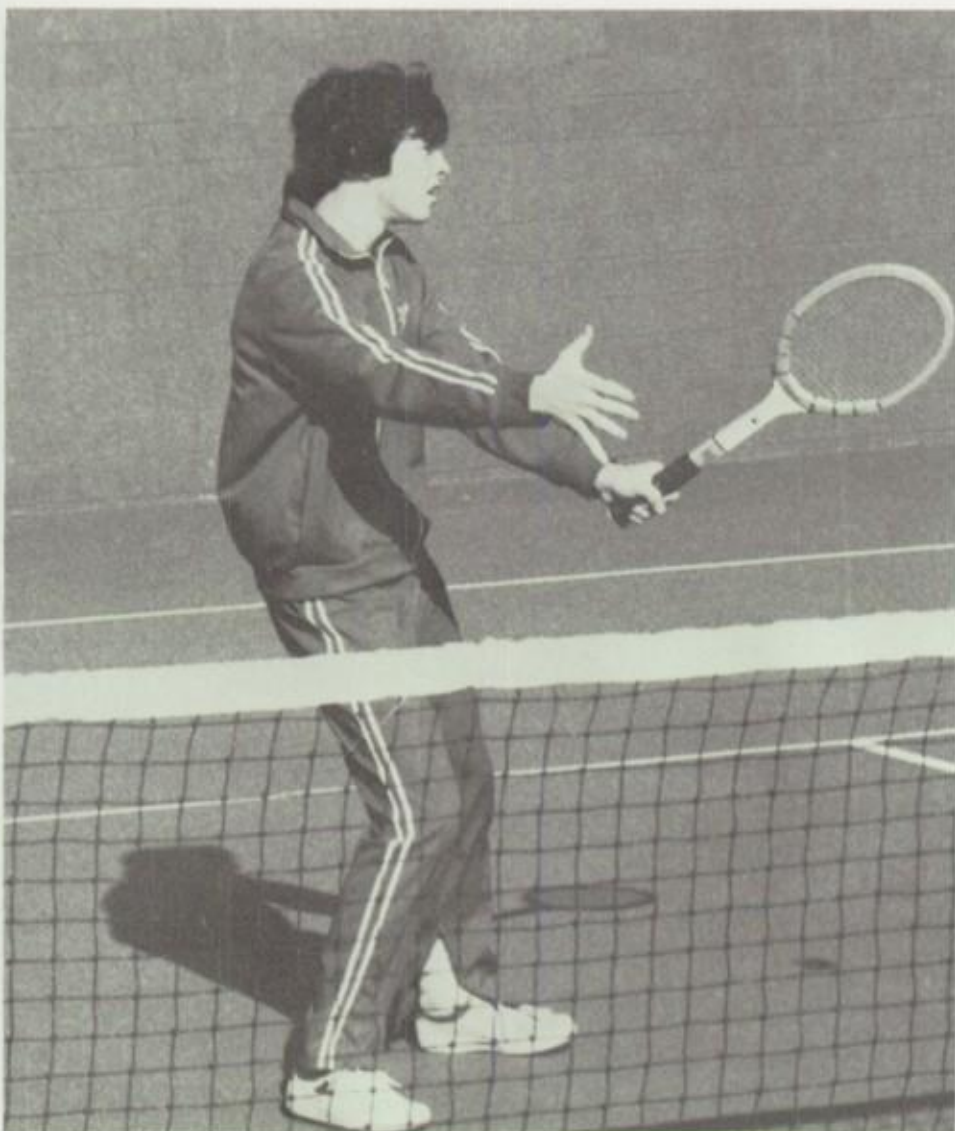

Trinity's main problem consists of building a strong team. The 74-75 team is hurt by the lack of experienced players. Coach Hopkins knows that winning will come; that fact doesn't bother him. The most important aspect is just the experience of playing tournaments. Sophomore tennis players promise to provide strong competition for next year.

Gymnastics is a sport that is rapidly gaining recognition at THS. It requires not only strength and skill, but grace as well. Trinity is well represented in the sport by the Trojan Gymnastic team. The team obtained quite a name for itself, setting a world record for continuous jumping on a trampoline by a five man team.

Both teams are again under the excellent supervision of Coach Jerry Milan. Senior members of the boys' team will be sorely missed next year, as they had a really fine season. Mike Jutras, the team's best all-around man, dislocated his shoulder early in the season. Coach Milan explained he might be back in action for the Regional meet. The team's seven junior members turned in fine performances for the year. Kim Marshall was the only senior returning to the girls' team. Also aiding the girls' team were Debbie Johnston and Celeta Strahan, two fine gymnast competitors.

TRACK: RUNNING, HURDLING, SHOT PUT, RELAYS

Starting at the beginning of this year our track team had been running, jumping, hurdling, relaying, shot putting and just generally getting in shape. This year we had a young team consisting mostly of sophomores but a few seniors and juniors returned. The returning seniors were Rob Jones, Joe LeCroy, Mike Hines, and David Kuykendall. Juniors were Jerry Betsill, Larry O'Conner, Jimmy Shoppa, and Steve Baker. The team competed in weekend meets from March through April with the District meet on April 19 and Regional Meet on April 26.

THE 1974-75 SOUTH ZONE CHAMPIONS

The 1975 Trojan Baseball Team moved in on L. D. Bell during the last game of the season to capture the south zone title. The Trojans accomplished this feat with an experienced pitching staff that improved over the season aiding the team more than anticipated. Both infield and outfield were solid all season long. This is one of the best defensive teams Trinity has ever had.

District play this year was divided into the north and south zones. Trinity, together with such teams as Bell and Haltom, composed the south zone, while the Wichita Falls teams and Mineral Wells made up the north zone. Trinity, with an 8-1 south zone record, had to win two out of three games against the north zone champions for the district crown and to advance into further playoffs.

Involvement (in-volve'ment)n. - To contain or include as a part. To draw in as an associate or participant, embroil, syn.: inclusion, entangled.

It is not a characteristic of most people to seclude themselves from the hustle and bustle of society. A part of each of us requires to be needed and wanted. We all have our own interest and the span of clubs on campus offers a chance for each of us to become involved. Whether an organization's purpose be spirit, interest, honor, service, or vocational, it still gives us an opportunity to learn leadership and "followership." Time spent together planning and carrying out plans develops an understanding relationship between involved members. A relationship of friendship.

OUTSTANDING HONOR SOCIETY MEMBERS

Sponsors — Ms. Lamb and Ms. Taylor

Lunnessa Beirig and David Hall

Officers — Karen Matheny, Steve Laukhuf, Sharon Bloodsworth, Jennifer Vercher, Mary Ann Slaughter.

One of the most notable organizations at Trinity is the Honor Society. With the direction of Ms. Taylor and the new sponsor Ms. Lamb, the group has had an eventful year. Student directories were compiled and sold. Another activity was a Christmas Bake Sale for the faculty. For the first time, outstanding Honor Society Members were chosen.

We could have danced all night! — Curtis Epperson and Melinda Cannedy

The International Thespian Society pledges its best efforts in all assignments given to the group as a member of the Theatre Arts department of Trinity High School. The first assignment of the year 74-75 was the Musical "Boyfriend." Being a success, the Drama Department will continue on to the Brownwood one-act play, and the U.I.L. one-act play that the Thespians participate in every year.

Thespian Motto

"Act well your part; there all the honor lies."

DRUM MAJORS

THE SUPERIOR TROJAN BAND

SYMPHONIC BAND

Trojan Band — giving its audience the usual superior performance.

The 74-75 Trinity symphonic band began its season in early August. Long hard practices paid off as the marching band had one of its best years ever. Under the direction of Tom Neugent and Lawrence Harville, the marching band performed to near perfection as they once again received a superior rating at U.I.L. competition.

The hard work was by no means over. Members also competed in region band with solo and ensemble contest in March.

Christmas and winter concerts were also a part of the arduous year. The symphonic band also performed at a Buccaneer festival in Corpus Christi. The annual spring concert completed the year.

Our own Statue of Liberty.

All Region Band — Steve Houy, Jennifer Roberts, Susan Lance, Tina Ferguson, Debbie Hill, Gail Bratcher, Cheryl Dunn, Beth Fields, Ben Fast, Chuck Garrettson, Kerry Henson, Mark Hayes, Diana Traster, Bobby Francis, Cathy Ozebek.

"And a one and a two and a . . ."

A new phase of the band was the second period Stage band, performing music from "Chicago" to "Boss City U.S.A." They performed during a Christmas assembly and also during the PTSA spaghetti dinner. Director is Tommy Nugent.

Trojan band members add their part to a great performance.

Hours of practice make a single halftime.

SPRECHEN SIE DEUTSCH?

Officers — Beatrice Touchet, Mike Montgomery, Mike Martin, Nils Kjell, P. J. Hawthorne, Keith Miracle, Sponsor — Ms. Montgomery.

This year was one of our most productive years ever. At our first meeting we had over 30 members attend.

On November 9 we went to New Braunfels for the German Wurstfest.

The Christmas party was held at Beatrice Touchet's house where we celebrated a typical German Christmas with German pastries, Christmas songs, and other customs.

In March some of the club participated in a language festival at Tyler. This was the first year to go to this, but we hope to go again in the future.

The highlight of the year was going to the Edelweiss where everyone sampled some real German cooking. All in all, it was a good year.

FUTURE HOMEMAKERS GAIN DOMESTIC SKILLS

This years F.H.A. started off the trimester with a bingo party at the Eules Nursing Home for the elderly. Their second project was a scavenger hunt for can goods to give to a needy family at Thanksgiving. Next they made Christmas tree decorations and bought a turkey and tree for another needy family. F.H.A. also sponsored an assembly with the band Lo Della which was a great success. This spring after a Basketball game they sponsored a sock hop which consisted of fifties dances. Their final project was a banquet for installation of new officers.

The Brotherhood blows its mind.

THE BROTHER

NOSE HOOD

The Nose Brotherhood is an organization whose purpose is to help others enjoy life and "have a blast" doing it. It is a new organization at Trinity made up of male students who like to promote spirit and help the students of Trinity and others able to look on the lighter side of things. Projects consisted of a cheering section at the basketball games and a toy drive for a needy children's home. All ideas were taken from the Noze Brotherhood Society at Baylor University in Waco.

FBLA LEADS THE WAY

Future Business Leaders of America is an organization that promotes and develops leadership and business skills. This year F.B.L.A. won the hall decoration contest during homecoming. Each year F.B.L.A. attends district and state conventions and competes for honors in various business skills such as shorthand, bookkeeping, talent, Mr. and Ms. F.B.L.A., spelling, vocabulary, speech, and typing. Our local club president, Kevin Voise, is the current Mr. Future Business Leader of Texas. Kevin won the title in competition at the state convention and went on to compete for the National title in San Francisco during the summer. We plan to compete in both district and state conventions in the spring.

Students who choose to work as office helpers practice a variety of skills; alphabetical filing, switchboard operation, proper telephone manners, making schedule changes, working with attendance cards, and running errands. These students save all the office staff a lot of time by taking care of detail work.

FOUNDATIONS

Foundations: (foun' dā' shun), noun — the support upon which anything is founded; base; supporting structure. syn: groundwork, basis.

Just as a building can't stand without a strong concrete foundation, neither can the education from schools withstand without it's foundations. The groundworks we rely on are those of worthy and dedicated faculty members and administrators. Trinity is a big school with large classes. It's impossible for students to receive individual attention from teachers. But sometimes — when both sides happen to reach out together — personalities meet — and you've found another friend.

THE BOARD REVIEW

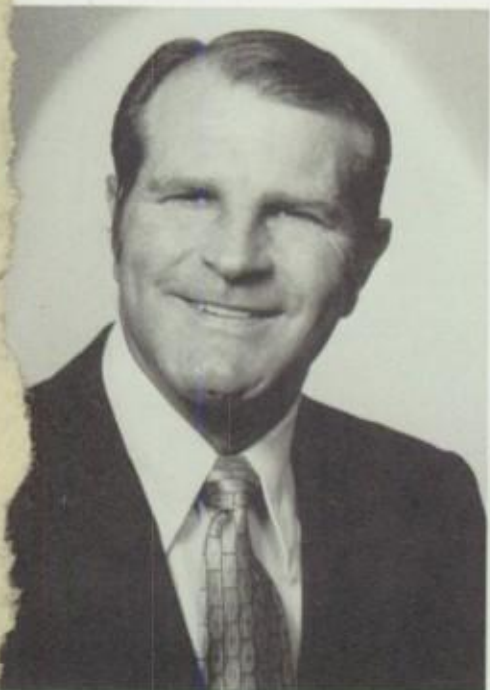

President: Ms. T. L. Tatarevich

Mr. Charles Wages, Superintendent of the H.E.B. School District for six years, exercises his years of service and leadership as administrator and council to the school board. The 1974-1975 school board members are: President; Ms. T. L. Tatarevich, Vice-President; Mr. Johnny F. Eden, Secretary; Mr. James B. Morgan, Mr. Joe F. Benson, Mr. Charles V. Driskill, Mr. Marvin D. Spiller, and Ms. W. S. Welton.

Vice-President: Johnny F. Eden Secretary: James B. Morgan

Joe F. Benson

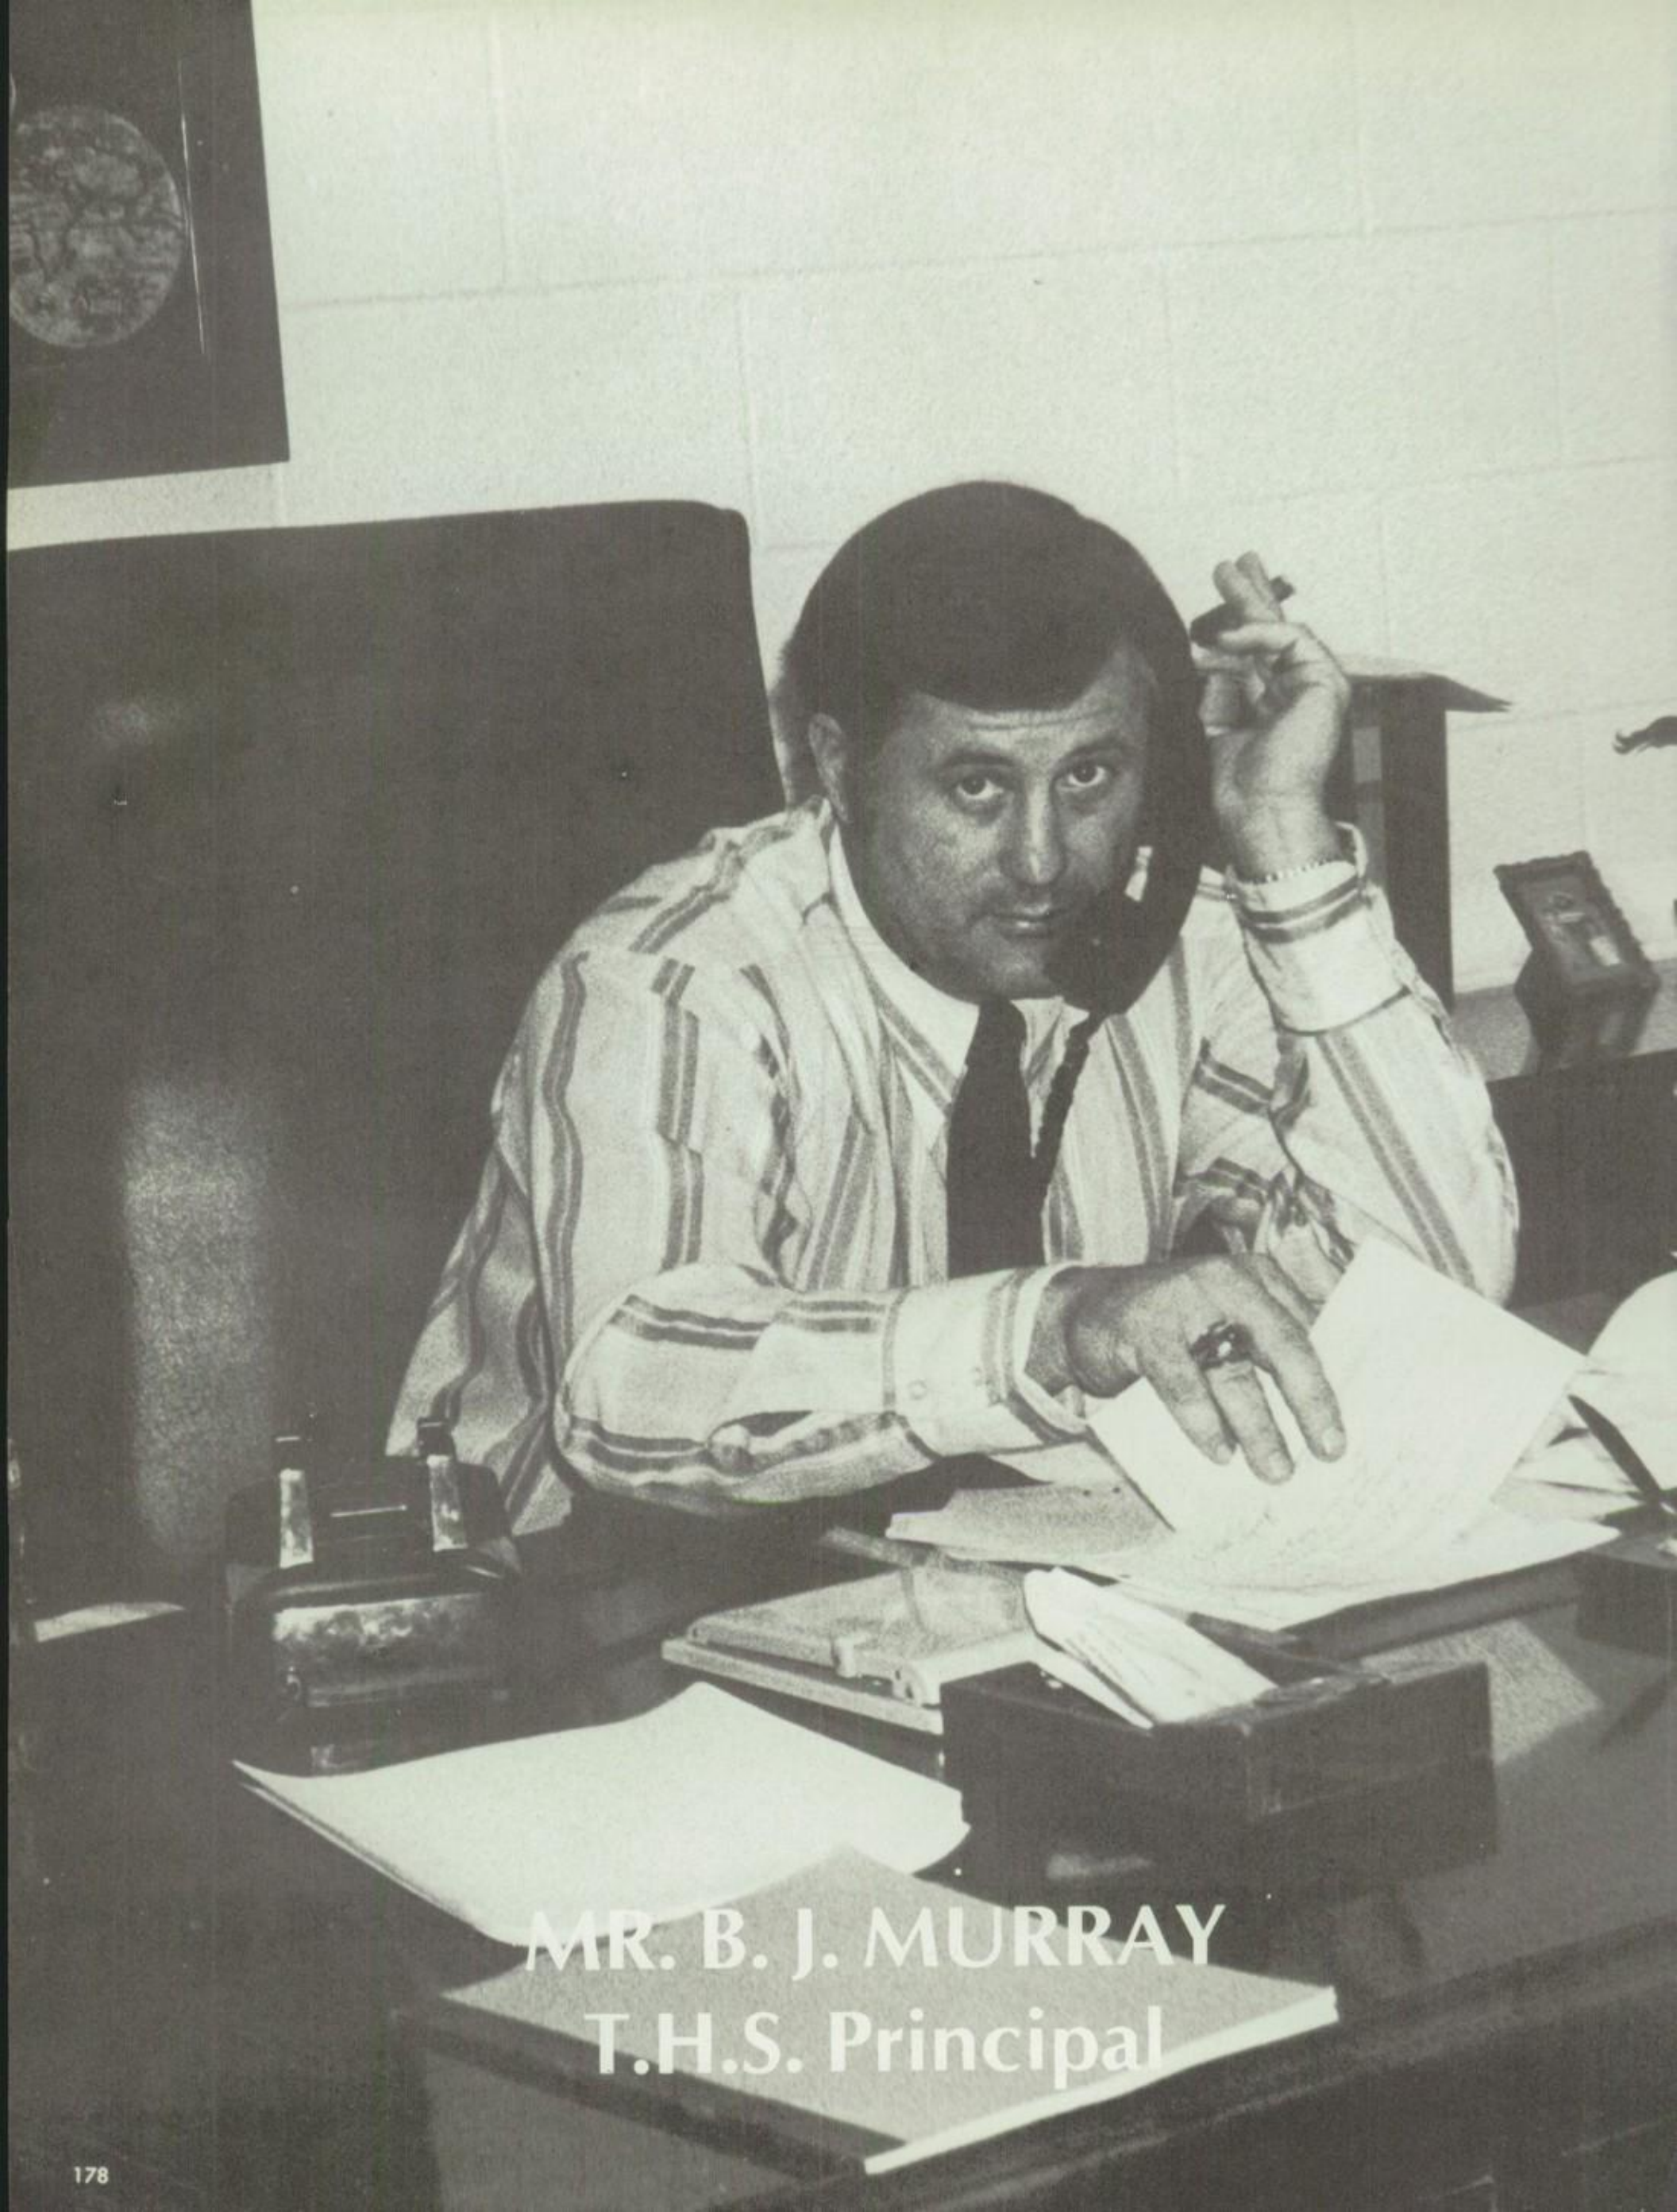

Charles V. Driskill

Marvin D. Spiller

Ms. W. S. Welton

MR. B. J. MURRAY
T.H.S. Principal

Mr. B. J. Murray, the principal of Trinity High School, is an involved and dedicated individual. He attended Texas Christian University where he received his Bachelors Degree in Education. Mr. Murray is currently attending North Texas State University taking courses in education.

He has had 19 years of experience in this district, not only as a principal but as a teacher and a coach. Beginning as an 8th grade coach at Hurst Junior High, he then became the first assistant coach at L. D. Bell High School for three years. After becoming Assistant Principal of Hurst Junior High for four years, he became Principal of Central Junior High for three years. Mr. Murray was appointed Principal of Trinity High School in 1968 and has been principal of THS ever since.

As an involved citizen, Mr. Murray has been on the Board of Directors of Northeast YMCA, a member of Phi Delta Kappa, on the Board of Directors of the Texas Association of Secondary School Principals, and he also works with the American Cancer Society.

Hobbies are of a great interest to Mr. Murray. He loves sports, especially canoeing, camping, bird hunting, and racketball. His most unusual hobby is collecting old pocket knives and pocket watches.

Mr. Murray looks upon Trinity High School as a great facility. He thinks people shouldn't judge the school by its beautiful exterior, but by the make up, the pride, the determination that each individual puts into the school.

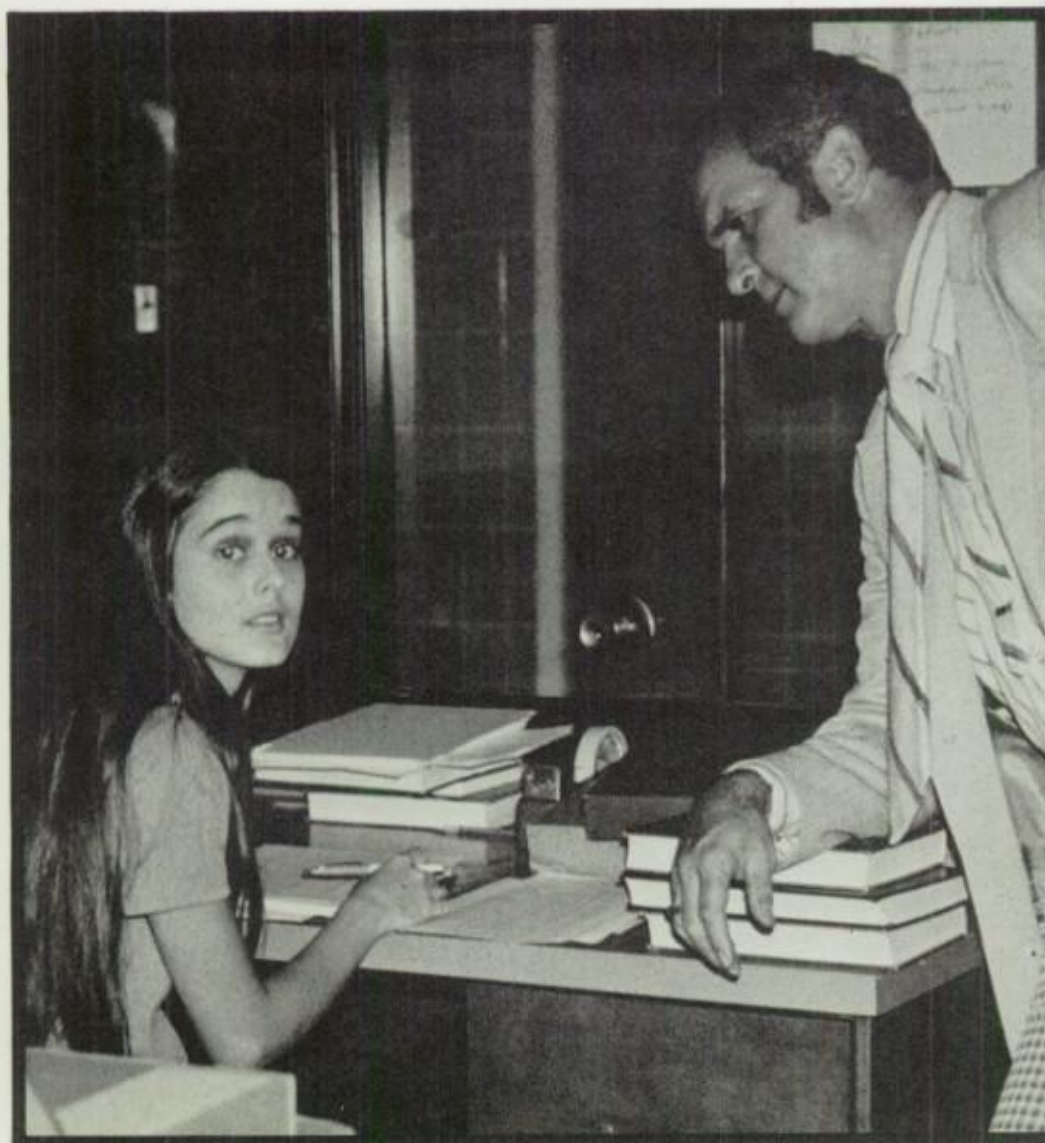

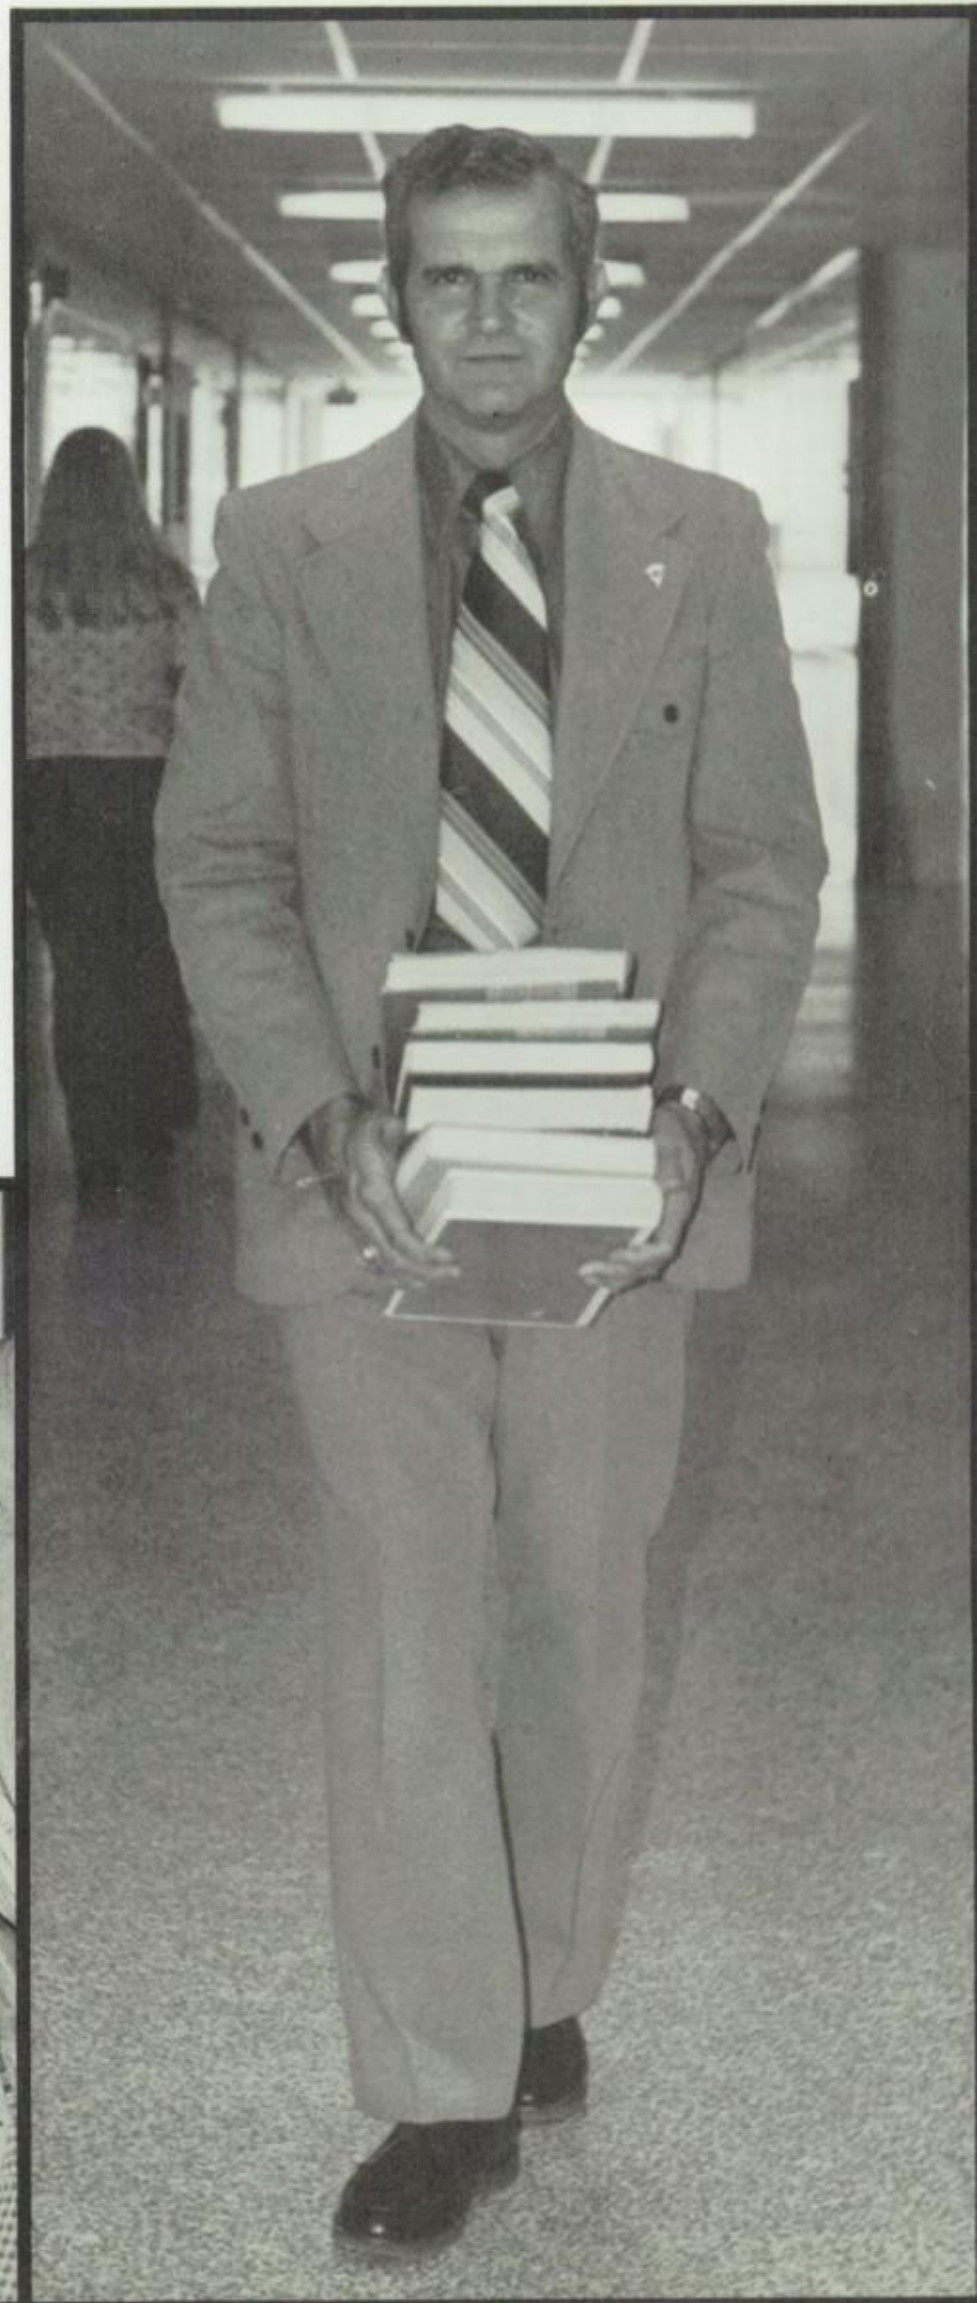

MR. SHEARBURN: PATIENCE AND DILIGENCE

The Vice-Principal of Trinity High School, Mr. V. V. Shearburn, is a concerned individual not only with the school but also the people that make it up. He has been Vice-Principal of Trinity since the school opened 7 years ago. Mr. Shearburn was a counselor for 2 years and also taught history and physical education. He received his Bachelor Degree from Arkansas State University and his Master's Degree from Kansas State University.

Mr. Shearburn is involved in the community as well as his job. He is currently President of the Mid-Cities Optimist Club and was past President of the Administrators Association. His interests also include golf, racketball, and good food.

Mr. Shearburn feels Trinity has definitely been his most enjoyable job. Also, he thinks Trinity is the most beautiful campus he has been on but this beauty comes second to the students and co-workers on campus.

"He can't say that to me, can he?" Ms. Rutledge to Mr. Shearburn

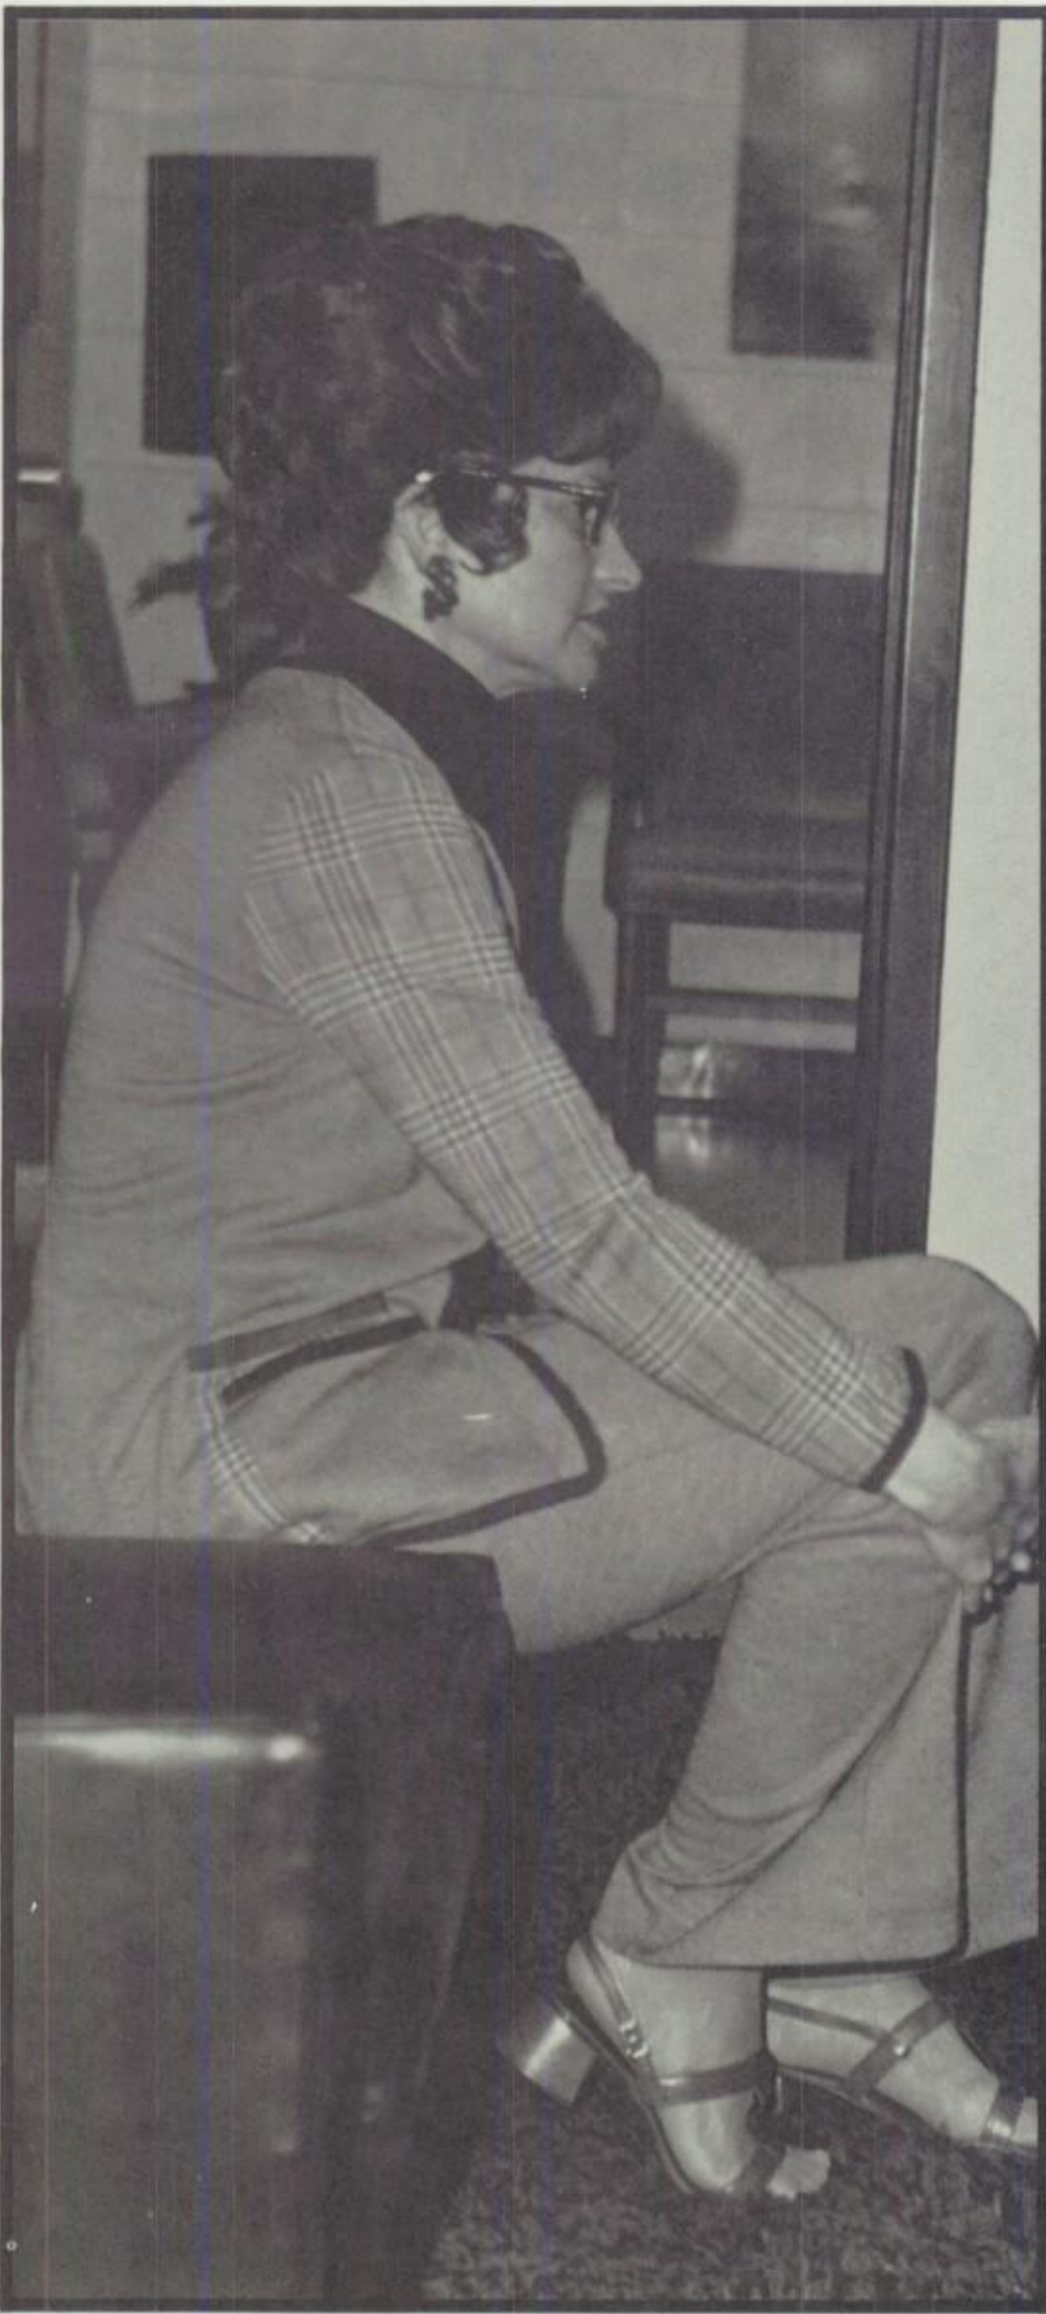

"Everyone has a locker but me." Mr. Shearburn

MS. HILL: EFFICIENCY AND ORGANIZATION

Ms. Juana Hill, Trinity's registrar, puts forth a competence and confidence in her job that is contagious to the school. She has been the Trinity High School registrar since 1968. Previous to this she taught 6th grade art at Shady Oaks Elementary and 8th grade English at Central Junior High.

Ms. Hill's college education began at Texas Tech, then to Howard Payne where she received her Bachelor's Degree. She later attained her Master's Degree from Texas Tech. She is currently attending classes at North Texas State University in preparation for her Superintendent's Certificate.

Some of Ms. Hill's interests are plants, sewing, traveling, attending OU football games, and loving Trinity.

"Mr. Murray, you expect me to do that schedule over again?"

"I really can't do it over again!"

MR. CUMMINS: INVOLVEMENT AND DISCIPLINE

Mr. Glen Cummins, Dean of Men, received his Bachelors Degree and Master's from East Texas State University. He has spent eleven years in the field of education. He has taught high school science and was assistant principal at Euless Junior High. Mr. Cummins enjoys sports, such as hunting and fishing. He has been at Trinity for two years and feels we have a good student body and the pride makes it one of the best schools in the state.

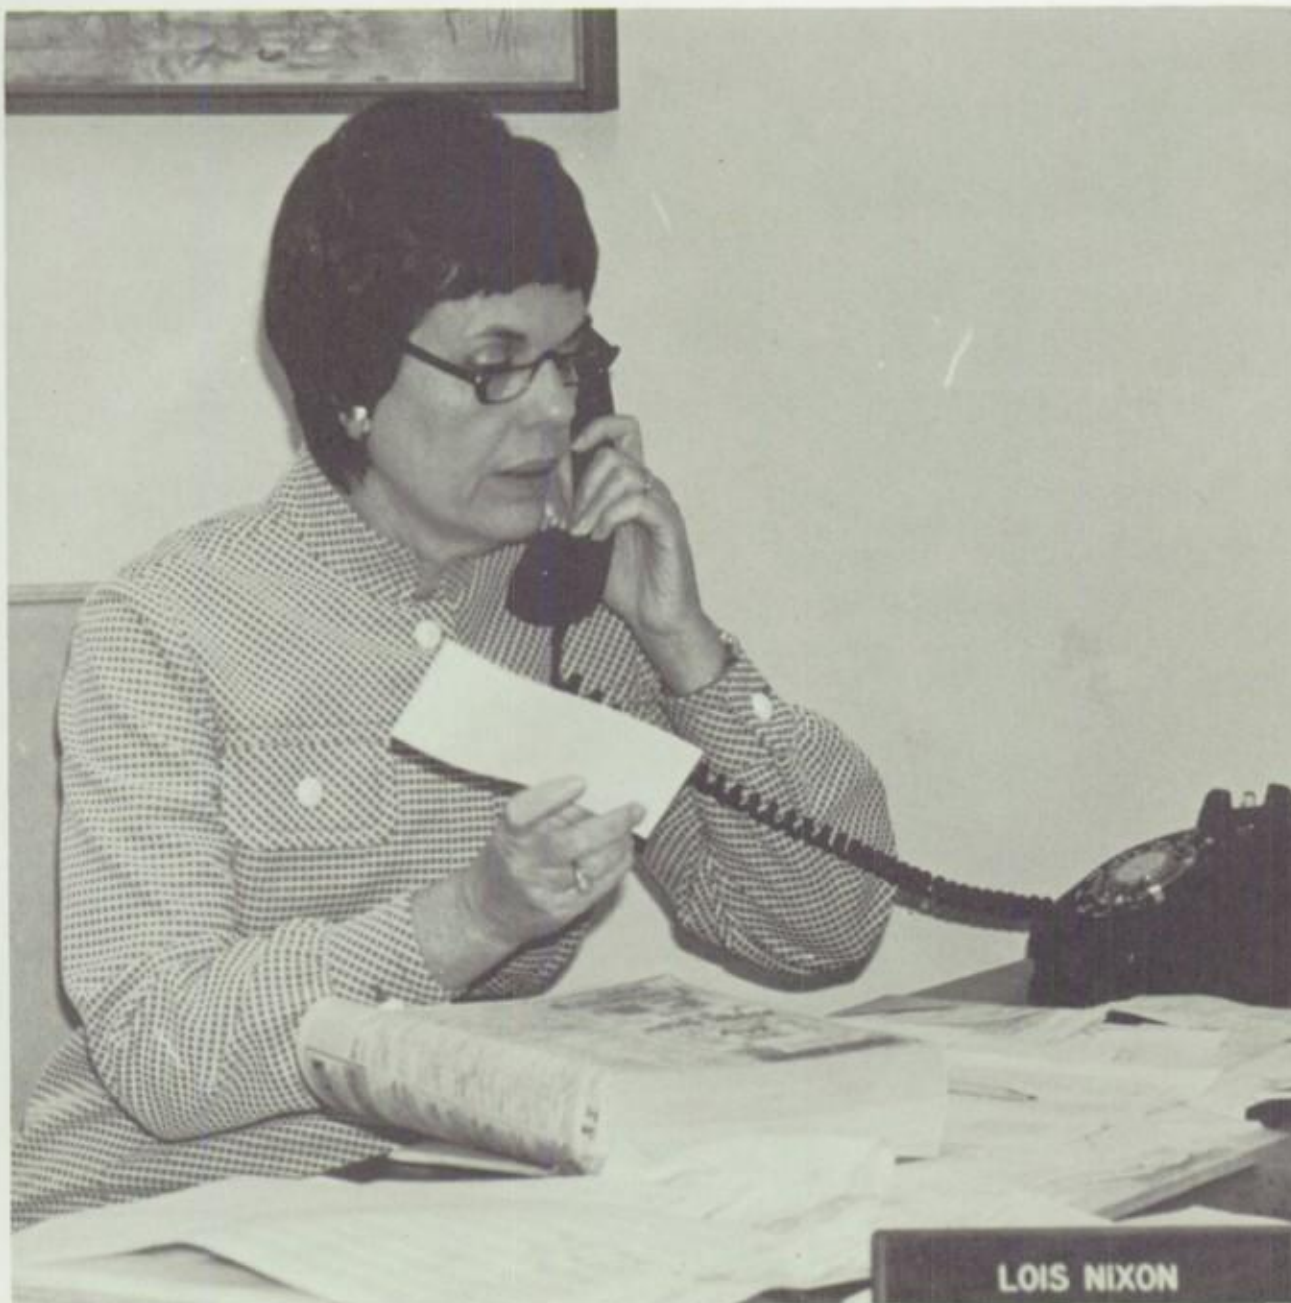

"Maybe a night in my office has taught him a lesson."

"What do you mean, my paddle has termites??"

MS. NIXON: SUPERVISION AND RESPONSIBILITY

"Let's see . . . a three letter word . . . beginning with x . . ."

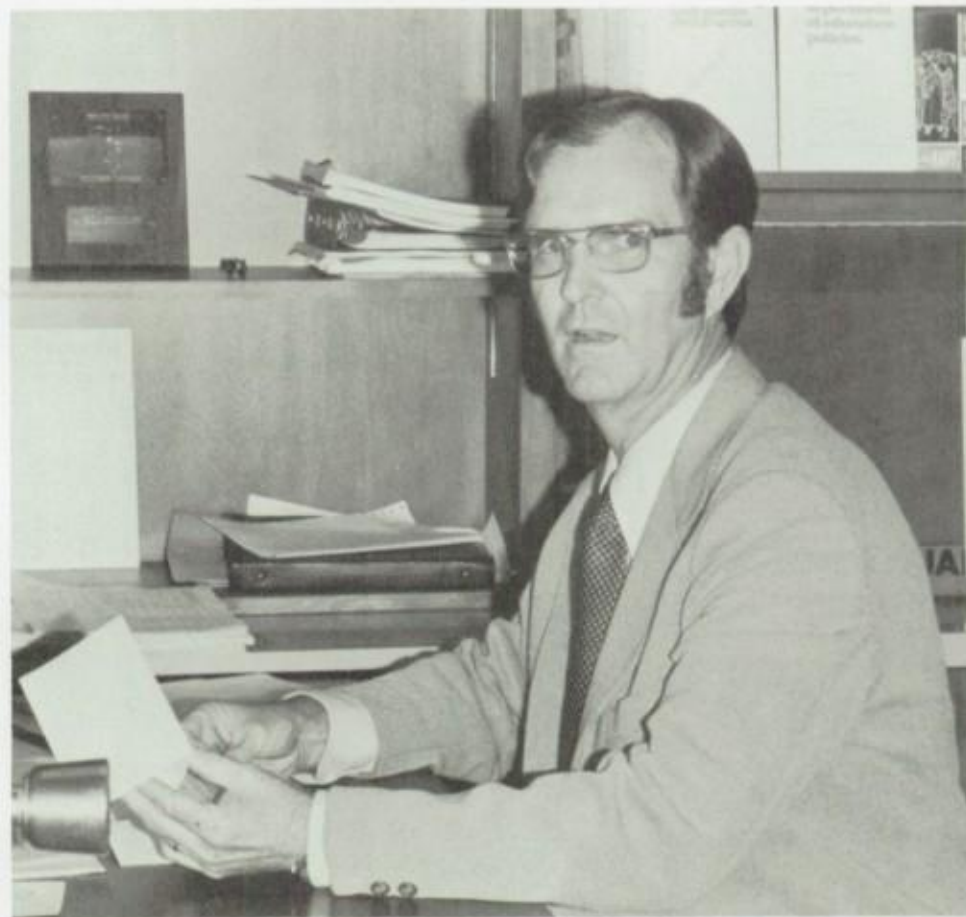

"I'm sorry sir, but the number you have reached is temporarily out of order."

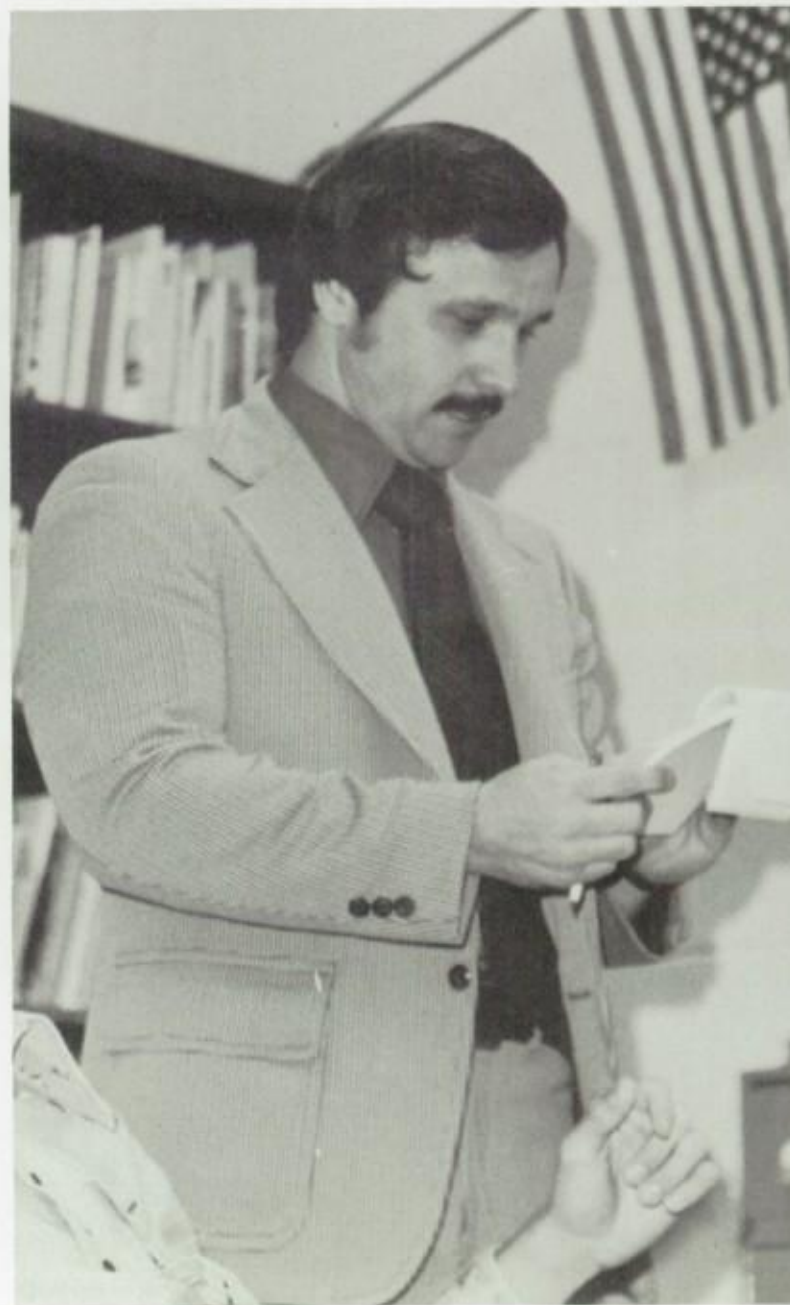

Trinity's Dean of Women, Ms. Lois Nixon, attended North Texas State University and received her BA in English and also a Master's degree in Education. She has taught school a total of 13 years. Besides her position at THS, she teaches psychology part-time at TCJC Northeast Campus. Some of Ms. Nixon's interests are photography, gardening, and people watching. She feels high school is important to students because it is a time when teenagers make great strides in maturing and in their growth processes.

FRIENDSHIP AND ASSISTANCE

Four people on the THS campus listen to complaints and ideas about students and current and future lives. Mr. Bill Chandler, the sophomore class counselor, works to involve his new students into the busy student life of the Trinity campus. Mr. Jack Ingle, the junior counselor, besides scheduling, assists students for the PSAT test in preparation for college or a career. Ms. Madeline Taylor, senior counselor, concentrates her help on careers and college for the many students who are still undecided. The law counselor on campus is Officer Rick Griffin. Besides counseling, he is also a sponsor of the Police Science Club.

Madeline Taylor — Senior Counselor

Bill Chandler — Sophomore Counselor

ADMINISTRATION AIDS: FLEXIBILITY AND COOPERATION

Being a secretary to a principal, or a school cashier and PBX operator, or secretary to three counselors — comes under the title of Aides to Administration. Ms. Paula Wilson organizes and keeps tabs on the principal, Mr. B. J. Murray. Ms. Carol Rosse works the switchboard and collects money for school activities. Appointments and secretarial work for the counselors is taken care of by Ms. Wilma Riley.

Ms. Rosse — THS switchboard operator and school cashier.

Ms. Paula Wilson — Mr. Murray's competent secretary.

Ms. Wilma Riley — hard at work as the counselors' secretary.

The Attendance Aides at Trinity this year are Ms. Betty Mitchell, Ms. Minta Sewell, and Ms. Sue Gentry. These understanding women are there when you are late, there when you're not . . . not there at all. A book of excuses they could have filled in the years of listening, but a few new ones still drift in on occasion. If you are in trouble, need a friend, a phone, or an excuse, they are always there (even if you aren't).

Ms. Betty Mitchell — Attendance Clerk — checking up on another story.

ATTENDANCE AIDES: COMPETENCE AND UNDERSTANDING

Ms. Minta Sewell — all smiles for only five classes a day.

Ms. Sue Gentry — "Car 59 where are you?"

LIBRARIAN: INFORMATION AND DEPENDABILITY

Organization is a key word to Ms. Vern Myers' job as Trinity librarian. Through the years since Trinity was opened, Ms. Myers has had the responsibility of keeping the library in order and maintaining records of books on loan. She attended East Texas State University where she majored in Library Science.

Ms. Myers is assisted by teacher's aid Ms. Anne Hilton who also takes care of the media center and audio-visual facilities.

NURSE: CONSOLATION AND CONCERN

"Mom can you come get me, I'm sick."

New to Trinity High School this year is Ms. Becky Culpepper, the school nurse. Many excuses of having whooping cough, typhoid fever, or the Black Plague have come to her ears.

Discovering the ailment is only a slightly used case of "get me out of class" blues is an often difficult but interesting job for Trinity's lady in white.

Becky Culpepper

"You have what kind of disease?"

MAINTENANCE STAFF: INDUSTRIOUS AND DILIGENT

Some of the busiest people on the THS campus are the members of the maintenance staff. Keeping the grounds immaculate throughout the day and providing for the upkeep of the Trojan campus buildings after school hours is a normal day's work for these women and men. For the extra tasks and errands often asked of them, needed thanks is well deserved. The student body wishes to express their appreciation to the maintenance staff of Trinity.

Day crew members Mr. Woodruff and Mr. Fielder at work.

Night Crew Workers — Mr. Hayden and Mr. Grunewald.

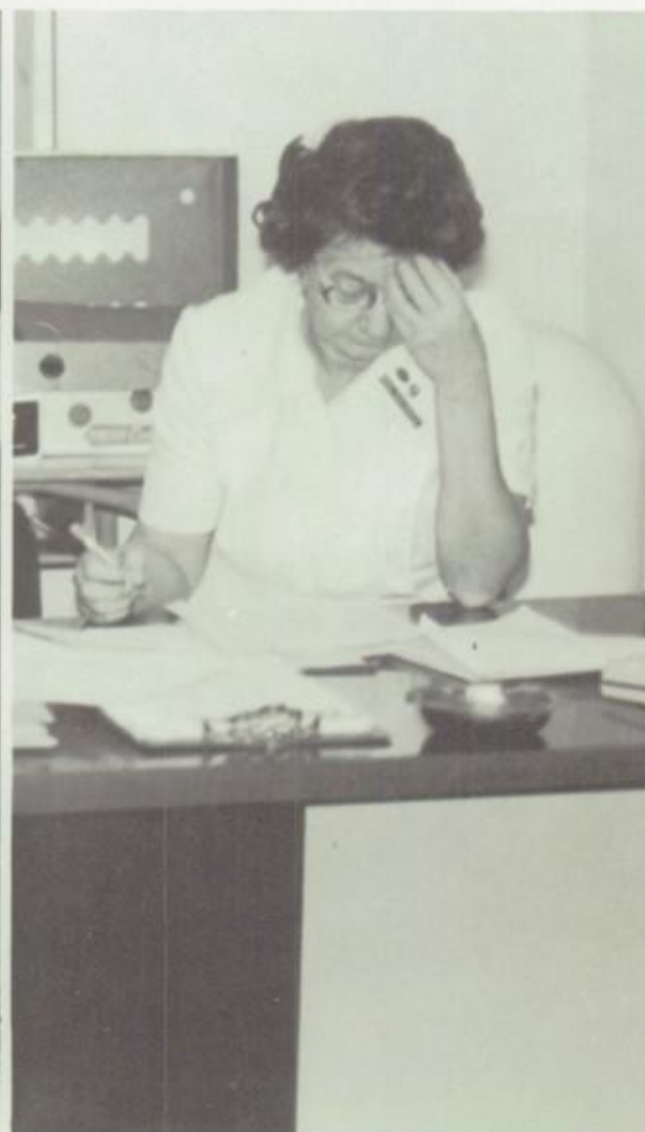

The THS maintenance staff.

CAFETERIA STAFF: CHEERFUL AND EFFICIENT

Anyone for sardine and peanut butter sandwiches?

I'm getting so mixed up that the schedule now reads tacos for the next two weeks.

To please everyone all the time is impossible. The cafeteria staff of THS tries hard. Cooking lunch and serving a light breakfast every morning combines hard work and devotion by these ladies. Open lunch for everyone brings competition from outside fast-food restaurants. But many students still enjoy eating the nutritionally balanced menus everyday. A choice of sandwich line or plate lunch is offered daily.

TEACHER'S AIDES: HELPFUL AND CONSIDERATE

The teachers at Trinity High School rely on three competent ladies to get them through the school year. Who? Teacher's Aides. Ms. Ann Hilton, Ms. Cindy Rutledge, and Ms. Mary Ann Pavlas run errands, type worksheets and tests and just generally keep the teachers from mental and physical collapse. We would like to express a big thank-you to these women who are always on the job.

ENGLISH:

"I haven't had nouns and verbs since 8th grade." "A term paper?" "What's that?" "Can you type?" "A whole book to read?" These statements and questions and many others can be heard from the THS English Department. Sophomore English is centered around units of basic grammar, literature, and the elements on how to write a term paper. Teaching sophomore English are Mr. Modie Wells, Ms. Keller Johnson, Ms. Beverly Brown, Mr. David Jones, Ms. Pam Martin, Ms. Elaine Reed. Literature based on American History is the theme for Junior English taught by Ms. Susie Webb, Mr. David Jones, Ms. Lorraine Lamb, Ms. Pam Martin, Ms. Patsy Daunis, Ms. Elaine Reed. Senior English, an elective course, gives the student a wide variety of topics to choose from such as word power, film techniques, Bible, other Americans, Shakespeare, etc. Teaching the courses are Ms. Beverly Brown, Ms. Pam Martin, Ms. Patsy Daunis, and Ms. Susie Webb.

Ms. Bobby Seaman

Ms. Joan Truman

Trinity High school offers a choice of three foreign languages to the students. Spanish, beginning Spanish to advanced courses, is taught by Ms. Bobby Seaman. Ms. Joan Truman new to Trinity this year teaches beginning and advanced courses in French. Teaching courses in German is Ms. Wanda Montgomery. Trips, projects, and club activities in each of the languages are offered by the separate German, French, and Spanish Clubs at Trinity.

Ms. Seaman stirs up another sizzling Spanish test.

AND PREPARATION

Vocation; a regular occupation or profession; especially for which one is especially suited or qualified. A definition expressed by life. Involvement in the world in preparation for work, college, and business. Trinity High School offers involved courses in Distributive Education (D.E.). Programs in this area include the retail division in one to two year courses. Another course offered over a three year period is Coordinated Vocational Academic Education (C.V.A.E.). These programs offer training in non-office fields. A third program offered at Trinity is Vocational Office Education (V.O.E.). Clerical office work and other related fields are taught over a two to three year period. (I.C.T.) Industrial Cooperative Training, taught by Curtis Clegg, is another field of vocation. (D.E.C.A.), (V.I.C.A.), (O.E.A.), (H.E.C.E.) are selected vocational courses taught at Trinity.

ATHLETICS COMPETITION AND

Competition, teamwork, friendship, and accomplishment are a few of the words included in the vocabulary of the Trinity High School Athletic department.

A vocabulary does not make a team, but Trinity has accomplished the feat through dedication and hard work. Athletic courses offered at Trinity include competitive football, basketball, swimming, baseball, tennis, track, gymnastics, and golf.

PHYSICAL EDUCATION: DEVELOPMENT AND FITNESS

Development and involvement of personal interests in courses other than academic are the goals of the Physical Education department.

Students at Trinity are offered a variety of courses other than the required P.E. Some new areas offered are Senior life saving, volleyball, badminton, and softball. These classes develop a training and endurance that will stay with students in later life.

Teachers of physical education at Trinity include Sue Matthai and Loretta Day.

ANNEX:

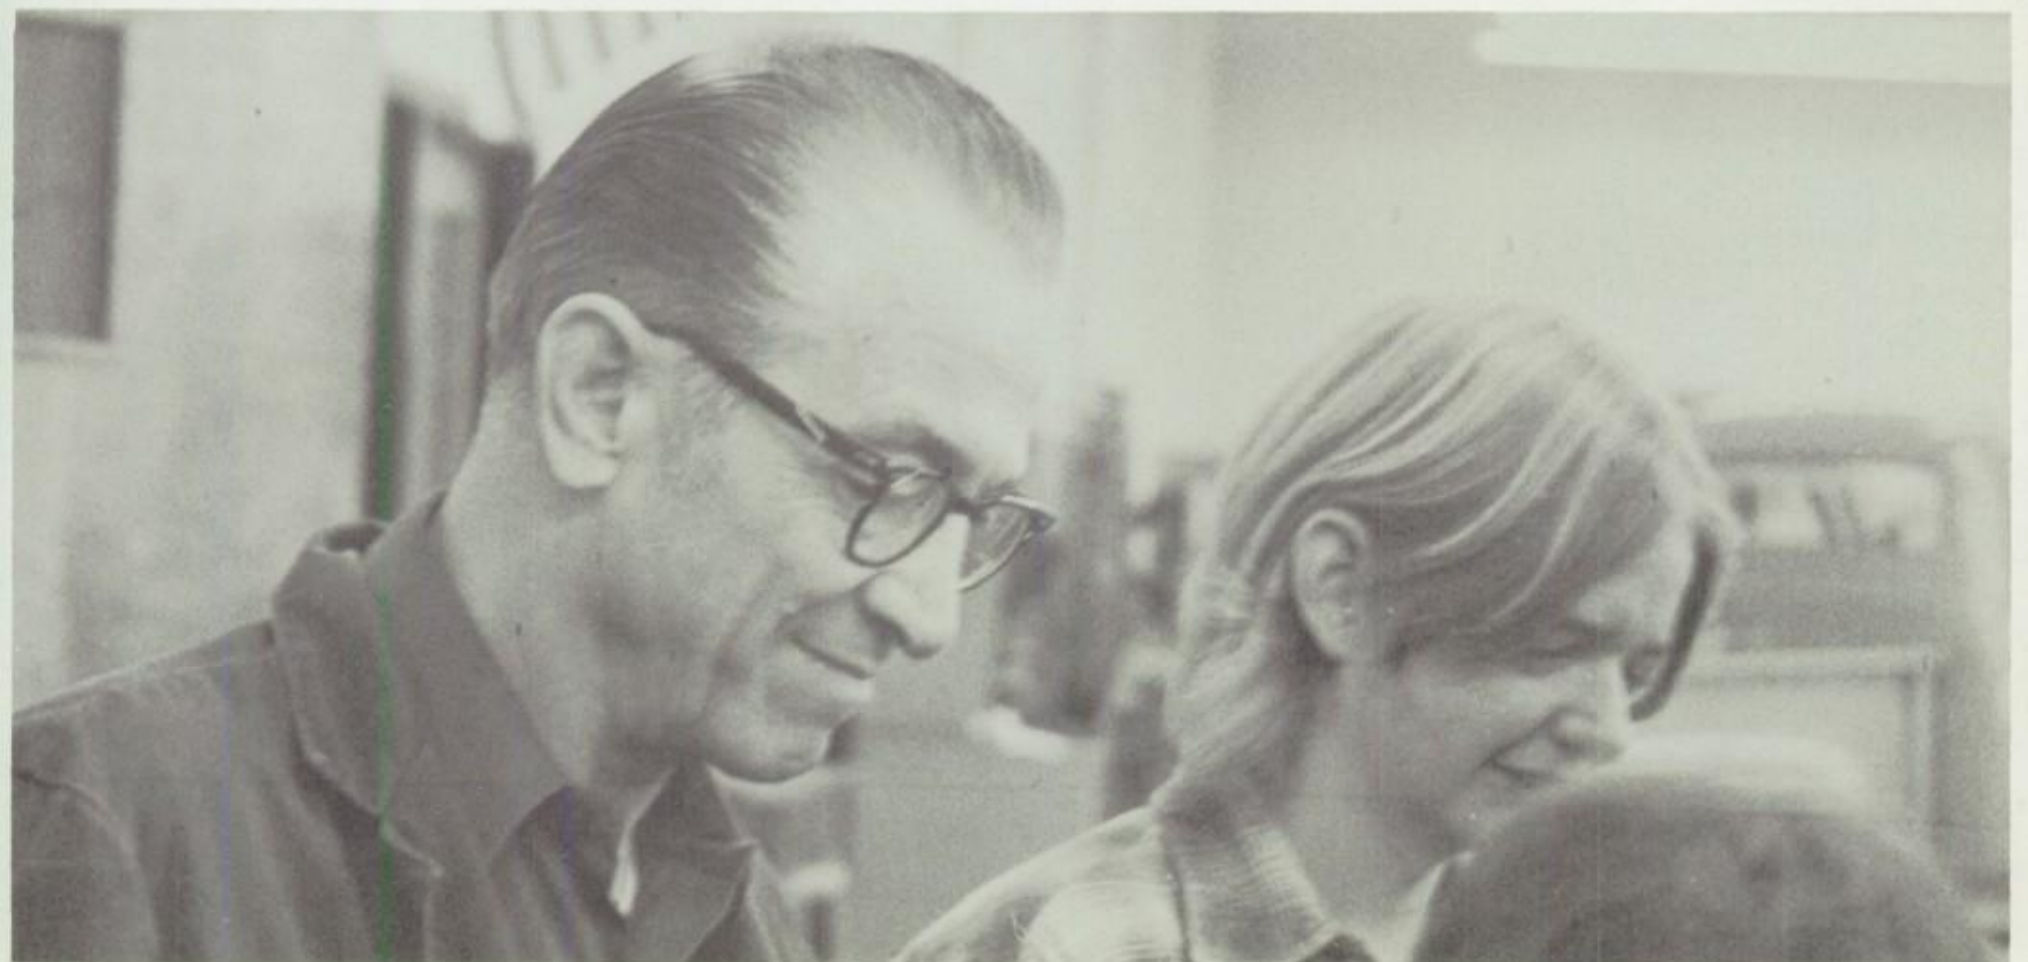

Four years ago the Vocational Annex program was opened to the Trinity student body. The skills acquired through this program enable a student to advance in areas where personal interests lie. Many of the courses are two year programs offered in the Annex Building off the Trinity campus. Some areas open to the students include Cosmetology, Auto Paint and Body, Auto Mechanics, Radio and Television Repair, and Building Trades. The teachers in this field are Mr. Gene McCaughan, Mr. Nick Ragsdale, Mr. Ralph Brink, Mr. Adrian Battles, and Ms. Clois Brewer.

POPULATION

Population: (pop u' lā' shun), noun — the whole number of people in a country or area; also, the people themselves. syn: inhabitants, people, populace.

Trinity — a population of sophomores, juniors, and seniors. We enter these premises as a face lost in faces, clinging tightly to the sleeve of our junior high clique. Days pass, activities activate, the first year comes and goes and we have new friendships. Summer passes and it's the second year.

Friends remain friends — but there is always room for more. Each becomes more dear and precious. Another year behind us — only one to go. Seniors at last. "Wow — my last year." "I can't wait to get away from here." Then it hits you. These friends you have — these wonderful, beautiful people with which you share your thoughts and innermost feelings — this is your last year together. "My gosh — I love them — I'm so lucky to experience such friendship."

The better part of one's life
consists of his friendships.

Sophomore —
one small insignificant
person in a blur of faces.

Faces —
passed by, unseen
unknown
until

Focused —
in the blurs become
other small insignificant
persons.

Insignificant persons . . . no . . .
FRIENDS.

SENIORS

SENIORS

'77

Sophomores — a race of people crossing a new horizon filled with excitement and anticipation — facing a new environment on campus which holds for each the gift of new friendships. Banding together (all 701 of 'em, the largest class to ever hit this campus) and combining efforts. Participating as a class in school activities — homecoming float competition — PTSA membership drive — Placing 2nd in the pizza eating competition — repeatedly winning the spirit stick at pep rallies — individual involvement in sports and organizations — sponsoring a post game coffee house in the gym — plans for future activities and money raising projects — plans for the future — a cheer for the class spirit "We raise Hell on our way to Heaven" . . . Senior Senior '77.

It is my joy in life to find
At every turning of
the road
The strong arms of a
comrade kind
To help me onward
with my load;
And since I have no
gold to give,
And love alone must
make amends,
My only prayer is,
while I live —
God make me
worthy of my
Friends.
F. D. Sherman

Debbie McNeill

Thousands of people pass through these halls each and every day. Faces in crowds, records by numbers, individuals lost in a sea of learning. Though they may seem insignificant, each and every one leaves a personality that makes up the overall picture. It is sad that one has to leave an uncompleted journey but she leaves this place better than when she came and takes with her the spirit and prayers of Trinity.

JUNIOR

With one year behind and one year to go the Juniors realize what it takes to be a Trojan. The happiness to share, the friendships to cherish, the disappointments to face and the future to look forward to. With dreams in our mind and hope in our hearts we look forward to our Senior year and a long happy life.

LEADERS OF THE PACK

Junior Executive Council

Junior officers — Danny Offield — *President*; Pam Sharbine — *Treasurer*; Christi Chambers — *Secretary*; Jerry Bundren — *Vice-President*.

Amid the confusion of the trimester, and the excitement of a coming Senior year — there remains a united family of friends — the Junior Class. With the leadership of Danny Offield, Jerry Bundren, Christi Chambers, and Pam Sharbine, the Juniors have given great help in keeping Trinity a school we can all be proud of. The work and effort put into the Homecoming festivities brought the Juniors a second in the float competition and a second in the PTSA membership drive. But on Nov. 8 the Juniors did prove to the school that what they are best in is eating as they placed first in a pizza eating contest. Other plans for the year included a carnation sale and a Sadie Hawkins week. Working together on various projects, sharing eighty minute classes, and making the best of a Junior year — many friendships were established and continued. Now Juniors are looking forward to that long awaited Senior year — and they'll be back to prove — "We raise hell to get our kicks, Seniors, Seniors, '76."

FIND A JUNIOR AND YOU'VE FOUND A FRIEND

Go! Go! get 'em get 'em, Trojans! — Cindy Goode

What snow in November? — Jerry Betsill

A true test of friendship, — to sit or walk with a friend for an hour in perfect silence without wearying of one another's company.

Dinah Mulock Craik

True friends, like ivy and the wall
Both stand together, and together fall.
Thomas Carlyle

A large crowd of people is gathered, likely at a protest or demonstration. In the upper left, a white banner is partially visible with the words "RIGHT OF" and the number "76" printed on it. To the right, a dark sign with the word "ENOUGH" in large, white, capital letters is visible. The crowd consists of many individuals, mostly seen from the back or side, filling the lower two-thirds of the frame.

People who have warm friends are healthier and happier than those who have none. A single real friend is a treasure worth more than gold or precious stones. Money can buy many things, good and evil. All the wealth of the world could not buy you a friend or pay you for the loss of one.
G. D. Prentice

I am Roberto Pergamini from Rome Italy. I have spent the 1974-75 school year in Trinity and I'm real glad to meet persons in this school and live this year with them. I believe that for a person is very important know other countries and specially a important country as the USA. So I want to say thank to every body for permitting to me to have this marvelous experience.

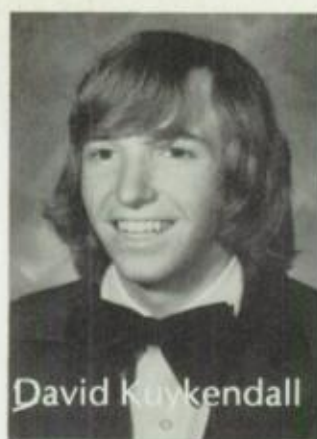

Roberto with his American family: Kevin, Craig, Karen, and Mr. and Ms. Matheny.

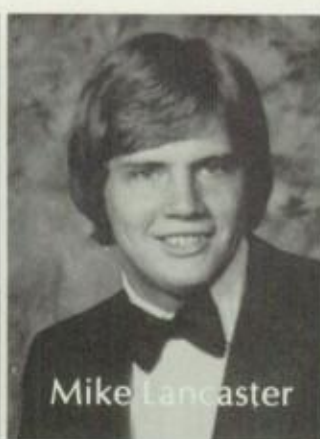

I am Jorge Arturo Lopez Salas, from Costa Rica. I think Trinity is a good school, I've found very nice people, but also I've found very bad people. However I've enjoyed a lot the last four months, I don't have another thing to say more than I like Trinity. and I would like love Trinity! -

Arturo with his hostess family: Mr. and Ms. Knowles, Mark and Beth.

I can't sat here tell you the same old thing that everybody else said. Everytime I've ever thought me and you might get together there has always been someone else there it seem like. It took you to make me realize what it really is like with girls. Before that all I thought about was going with a girl. And, then the Senior year come around and I thought I would never get married, because I thought I was trapped and I knew I would go off to college and it would all end. But even lately I've thought a bunch about ya. That's why I don't call very much or come over any after ~~the~~ ~~been~~ I did Christmas Eve. I think about going with ya and I guess I always will and I know that it wouldn't ever be that way. When I go to college, everything will go just like usual at school and ^{you'll} forget that the seniors were ever there, But just like it says at the bottom try to remember me, and don't think I was a fool the way I acted when you liked Andy last year. You'll look back on this one of these years and probably laugh, but you really are special to me and ~~was~~ are a very big part of my life. I'll see you a lot when I come home from college.

Friendship brings us face to face with our better selves . . . Friendship is constant in a world of uncertainties . . . Friendship is always there when we need it — a limitless well of peace and reassurance. Friendship never requires an explanation: Friendship accepts . . . Sure there are bad times at Trinity, but the seniors have learned to make the best of things. Friends have been made that will never be forgotten . . .

FOREVER YOUNG

Senior Class Song

When you walk that long highway
and you think you are alone
just remember we were here together
and this is our home.

May we always have our memories
of things that we've done
and may we stay Forever Young.

These are but the outward
signs of a senior.
Gold and silver to prove
our twelve years of existence.
But once we step into the outside world
they will be useless.
It is then that we must put our
learning and experience to the test.
To make or break, only time will tell.

WE CAN JIVE . . .

OF '75

Thou goest thy way and I go mine;
Apart, yet not afar;
Only a thin veil hangs between
The pathways where we are;
And "God keep watch 'tween thee and me,"
This my prayer;
He looks thy way. He looketh mine.
And keeps us near.

Becky

In the greatest of I know
I hope we really become better
friends. I hope you get the best
out of anything you want. I really
appreciate you every my friend 'really'.
I've had some of the greatest time
with you and John. Please always be
my friend because I'll always be yours
Love you always
Rodney

P.S. Don't get you too hot off
to much

Becky,
you are a very
pretty girl with lots
of boy problems. I
love enjoyed knowing
you, and I hope you
have a great Sr. year.
Love ya.
Bruce A.

Becky
 It's been a
 great year. But
 next year we will
 be seniors and we
 are going to make it a
 great year. I've really
 worked hard this year in drill
 team and we will probably have with
 hard next year, but please have with
 me. Okay? I remember when we sat
 in the bathroom and wrote letters. I really
 had fun at camp and we were good friends. I
 hope it will stay that way always. You are such
 a beautiful person and you have what it takes to
 go far in life. Thank you for making it such a good
 year. Keep in touch and have fun this summer.

Love,
 Debbie Johnston

Love ya,
 Christa

Well, another year is gone and it
 went by so quickly! It's kind of
 frightening to think that in only
 one more year it'll be no that
 are leaving. There have been
 a lot of laughs and fun this year
 and I hope there will be more
 next year. You are a good person
 and I hope to remain friends
 for a long time! Have a nice
 summer & DRILL TEAM CAMP, oh no!
 Anyway, I'll be seeing you
 the summer!

Becky,

else
 else

Becky,

It's been fun this year I guess. We've gotten to know you a lot better and am really glad. You really are a great person and fun to be around. It's hard to believe we'll gonna be seniors next year. We'll have a blast. I hope I get to see ya alot this summer. Stay out of trouble and good luck with everything. Be good.

Love ya always,
Sherry

Becky,

You're really becoming a woman. I guess it sounds dumb, but I sure like you. I hope we'll see each other more next year. There's so many memories I have about you, I just laugh to think about some of them. Anyway, I'm sure you'll do good in life, not just in worldly stuff, but in happiness and love, the things that count.

Love,
Jerry Betsill

P.S. Don't feel bad about the duck in your car. We wanted to put it in Val's car, but it was locked. Nothing personal.

Becky,
Wow it's been a long time for us haven't it? Doesn't it seem weird not being as close as we used to? I mean I'm not blaming anyone or anything. You what happened - things like this just happen - you know. I said I still like you as much now as I ever did - and I still feel like I can talk to you when something's bugging me. I hope we do get together sometime - that's no bullshit. Becky, I'm serious. I hope we both have a great senior year next year - it's our last one - it better be. Listen if you ever want to do anything or need someone to just talk to - I'll be around. Remember that.

go big
"T"

Be Happy Becky. Love Always.
SPS 176 Coleen

Becky,
Well, First of All, I am I sure going to miss you alot. I sure hope you pick the right guy, to bad it's not me, but you know how that is. Hope to see you alot this summer. Be good & I love you
Tommy
